All students in Years 7-12 are required to wear the College uniform both at school and while travelling to and from the College.

We believe the uniform encourages students to take pride in the College and in themselves.

Wearing the uniform shows a commitment to being part of the Newman Catholic College Community and allows students to focus on their studies rather than their appearance.

A uniform worn correctly eliminates competition in what students wear and is the most economical way to outfit our students for College life.
