

NEW LOOK TEAM

Darryl Bogotto Constructions welcomes two new members to the team.

Ted Larson is the new Building and Design Consultant.

Wendy Litster is our new Sales Executive.

Together they share vast experience in both New Home design and real estate.

Both hold professional qualifications so you can be confident you're getting professional advice.

WELCOME TO OUR BRAND NEW NEWSLETTER

To end the year we're starting with some fresh new ideas. Firstly our regular monthly newsletter and a new sales team!

Every successful project starts with the right advice

- Are you sure you're getting professional advice from the sales people you've been talking to?
- A lot of companies are offering services such as "free design". Are their "designers" trained and/or qualified?
- Are you maximizing the "value" of your new home in today's real estate market?
- Wanting to upgrade by selling your existing home to a brand new home?

"We currently have fantastic deals on house and land packages at Fairways, North Shore, The Village, and Kalynda Chase"

NOVEMBER PROMOTION.

Until the end of November everyone who registers with us will go into the draw for a free Dinner for Two at Riverview Tavern and be tantalized by the culinary skills of Executive Chef Georgie Hofer.

INTRODUCING THE NEW SALES TEAM

At Darryl Boggotto Constructions we want to ensure that your dealing with the right people to assist you to get the best outcome for the largest and most valuable investment of your life.

We often hear that a building company is “only as good as their supervisor”. And a lot of building companies are owned and managed by non builders. Feel safe that when talking with us you’re getting expert advice. Darryl himself is a qualified carpenter and registered builder. He also has a “hands on” approach to the supervision of ALL his projects.
