

Staff shirt order form

Two new colours! Option of pockets! Orders close End of OCTOBER!

We've added two new colours to the range: green and red. You now also have the option of a pocket.

How to order your Brighter Lives Closing The Gap shirt:

- Step 1: Are you a THHS or Brighter Lives employee or staff member? If so, you can buy a shirt.
- Step 2: Want to wear this shirt at work? Please confirm with your supervisor whether you are allowed to do so (we don't need this info).
- Step 3: If you don't already have one of these shirts please view sample sizes and colours to make sure your size is accurate as we will have limited opportunities to exchange. Samples are available at the Brighter Lives gift shop at TUH; we have three additional sample packs which will travel across THHS facilities.
- Step 4: Choose pockets or no pockets. Write quantity of each shirt you would like to purchase in the relevant column on the next page. Please note colours may appear differently on shirts – please view sample shirts to make sure you get the colour that you want.
- Step 5: Work out total and provide payment information, your contact details and delivery choice.
- Step 6: Return form to Brighter Lives, internal mail box 84 OR email brighterlives@health.qld.gov.au OR drop in to gift shop at TUH.

What happens next?

Your payment will be processed within two business days. Shirts will be ordered at the end of the month. On receipt to our office we will send your shirt via your nominated delivery option. Please allow 8 weeks for delivery.

About these shirts

These shirts feature the artwork *My Favourite Gathering Place* by Bianca Brackenridge Cole. Profits from sales are used to fund Aboriginal and Torres Strait Islander health initiatives across THHS.
