OUTWARDS SPONSORSHIP POSITION STATEMENT

Mount Isa Aboriginal Community Controlled Health Services Limited (Gidgee Healing) does not offer a public or corporate sponsorship program.

Instead, we focus on building strategic, evidence-based partnerships with government entities, peak health bodies, and community organisations to deliver community health services.

Although formal sponsorship isn't available from Gidgee Healing, we facilitate community and stakeholder support through our primary health care clinics, allied health care services, family wellbeing and social wellbeing programs, chronic disease care, and headspace Mount Isa.
