

## #IPCOonline Weekly Planner

<b>Subject:</b>	HASS (Geography)	<b>Year Level:</b>	9
<b>Week:</b>	3	<b>Term:</b>	2
<b>Teachers:</b>	T. Lindeberg, A. Kirkpatrick		

### Learning to be undertaken this week:

**What:** This week, students will be introduced to the topic of Food Security and Food Production including how these concepts link to the availability of food and the factors behind this access.

**Why:** Understanding food security will allow students to better understand issues that influence why communities in different environments / biomes can produce and sustain food and others cannot.

**How:** Students will have access to notes in the form of powerpoints and the breakdown of content in smaller chunks. Students will be required to read and at times summarise these notes before using the content to assist with relevant tasks that demonstrate understanding.

Session	Learning Experiences	Completed
1	<ul style="list-style-type: none"> <li>Food Security and its links to communities and environments</li> </ul>	<input type="checkbox"/>
2	<ul style="list-style-type: none"> <li>Environmental factors that affect food</li> </ul>	<input type="checkbox"/>
Independent Learning Suggestions	Economics of Food	<input type="checkbox"/>

*Independent learning suggestions are made for students wanting to extend or learn more about a particular topic. They are not mandatory.*
