From the Principal

Dear Parents, Friends and Caregivers

*Ignatius Park College acknowledges that the land we meet on today is the traditional lands for the Bindal and Wulgurukaba People and that we respect their spiritual relationship with their Country. We also acknowledge the Bindal and Wulgurukaba People as the traditional custodians of the Townsville region and that their cultural and heritage beliefs are still as important to the living Bindal and Wulgurukaba People today.*

Like many people around the world we have been shocked at what has happened in Christchurch last Friday, because it was an unprecedented act of cowardly, unprovoked violence against innocent people, including children, who were at a place of worship and peace. These people were engaging in the simple act of prayer – of practicing their Muslim faith and religion which resulted in many losing their lives while deep in prayer within the mosque. As a College community, our prayers and thoughts go to the victims, families and Muslim communities who have been traumatised by this callous act of violence.

Events such as this affect us all. The New Zealand Prime Minister, Jacinda Ardern, in her speech to Parliament, stated that “We will surround you with aroha, manaakitanga and all that makes us, us. Our hearts are heavy, but our spirit is strong”. In Maori “manaakitanga” means being hospitable, welcoming and sharing. As Christians we are also called to be people of hope. Irrespective, of our faith background God does not forsake us, no matter how hard we push God away, but rather with unconditional love, holds us in the palm of his hands and whispers to our heart the message of forgiveness and restoration. As a society we need to break the cycle of bitterness, retaliation, aggression and narrow ideologies that can limit our views of the world and expand our understanding, that all faiths share common beliefs - of a just world where all people are treated with dignity and respect. An example of this was a fire station in Australia this week, that out the front of its station it had written in Arabic “Inna lillahi wa inna ilayhi raji’un” which is a phase Muslims say when a person dies “To God we belong and to Him we return”. It is through developing our understanding and connection with other faiths that we can become a community that is accepting and doesn’t judge others.

Today is Harmony Day. This is an important day in the light of the events of last week where Harmony Day focuses on the message that “Everyone belongs”, reinforcing the importance of inclusiveness to all Australians. As a College tomorrow, we will have two minutes of silence to remember the victims of the New Zealand massacre and how we need to live our Touchstones to be an inclusive community.

As students enter the final weeks of Term 1, they will be completing assessment tasks and preparing for examinations. With the introduction of the new QCE system by the Queensland Curriculum and Assessment Authority (QCAA) there has been changes in the drafting process and extension to submission dates. With the introduction of ATAR the changes are about providing greater consistency and equality in the drafting and submission of work across the state. Ensuring that completed tasks are authentically a student’s own work and any extension to submission dates (now called Access Arrangements and Reasonable Adjustments (AARA)) meets a consistent criterion across Queensland. The College has developed a new Assessment and Reporting Policy. Information for parents related to this policy is on the College website - https://www.ipc.qld.edu.au/studies/exams-assessment-study-documents/. This includes the forms, a flowchart for assessment and the policy. It is important that all parents are aware of the changes before they contact the College. A letter outlining in more detail these changes by the QCAA will be emailed to parents.

Parents and caregivers please be aware of the recent changes that have occurred in our College Fee Policy. From the beginning of next term parents/caregivers will be required to provide one term’s notice in writing to the College Registrar if you are wishing to withdraw your son from the College. Failure to provide a term’s notice will result in the parent/caregiver being invoiced for a term’s tuition fee. These changes have been endorsed by the College Board. Any inquiries please contact Jean Pugh at the College.

Thank you to all the parents/caregivers who attended our Parent and Friends meeting on Tuesday. It was wonderful to see the large number of parents attend and, if you are interested in being on the committee, please contact Ms Marg Hodgson.

Congratulations to our College Swimming Team who won the TSSSA Interschool Swimming Carnival. Also, congratulations to Jakob Collinson (Year 9, Nolan) who won the Queensland State Championship in Archery and will be participating in the Nationals in April.

Given the events in New Zealand in the last week we pray for world peace:

*We pray that we may grow in our understanding of the nature of all living beings and our connectedness with the natural world; that we may become ever more filled with generosity of spirit and true compassion and love for all life; that we may value each and every human being for who he is, for who she is, reaching to the spirit that is within, knowing the power of each individual to change the world. We pray for these things with humility; We pray because of the hope that is within us, and because of a faith in the ultimate triumph of the human spirit; We pray because of our love for Creation, and because of our trust in God. We pray, above all, for peace throughout the world.*

Live Jesus in Our Hearts Forever

Shaun Clarke | Principal
Statement from Federation of Catholic Bishops Conferences of Oceania

On behalf of the Catholic Bishops Conferences of Oceania including the Australia, Papua New Guinea and the Solomon Islands and Episcopal Conference of the Pacific and New Zealand wish to offer our support and prayers to the people of Christchurch and New Zealand.

The recent massacre at the mosques in Christchurch has brought deep grief to all of us. As church leaders of Oceania, we condemn this evil attack and are shocked and horrified that such an atrocity should take place against innocent people. We are equally horrified that it should be perpetrated in a place of prayer and worship, when freedom to worship is cherished in our countries.

We wish to express our deepest sympathies to the victims and those who grieve because of the consequences of the terrorist attacks in Christchurch, New Zealand.

To all our Muslim brothers and sisters in New Zealand, Australia and around the world, we stand in solidarity with you in your horror, grief and distress.

We offer our prayers on behalf of the Catholic Bishops of Oceania to the deceased, the injured and to all the individuals and communities who have been affected by this senseless violence. We also wish to pray for Bishop Paul Martin who was supposed to join us in Townsville this week for our meeting.

In times like this we should take the time to reflect on the way we treat one another as children of God.

Executive Committee of FCBCO

Archbishop Peter Loy Chong, Archbishop of Suva, Fiji - President of FCBCO
Bishop Charles Drennan, Bishop of Palmerston North - Vice President of FCBCO
Bishop Tim Harris, Bishop of Townsville
Bishop Michael McCarthy, Bishop Rockhampton
Archbishop Christopher Cardone, Bishop of Honiara
Bishop Peter Brown, Bishop of American Samoa, Pago Pago
Bishop Anton Bal, Bishop of Kundiawa

The Executive of FCBCO is currently meeting in Townsville for their annual Executive meeting and commencing preparations for their Plenary Council Meeting in Fiji in 2022.
From the Deputy Principal

Role of Deputy Principal in 2019

My role this year is primarily concerned with Compliance and External Accountabilities at the College. This includes things like staffing, strategic professional development, workplace health and safety and ensuring the College is doing everything to comply with the laws of the land. At each EREA school, the Deputy Principal is now provided with similar responsibilities. This is an important change at IPC, and teaching and learning queries can now be dealt with by Ms Allison Elcoate (Deputy Principal – Operations) and Mr Shane Dove (Dean of Teaching and Learning).

Complaints Handling and Privacy of Data at IPC

There are some important changes coming in regards to how IPC handles complaints of any type, and the privacy of data (student, staff and the community). This will involve a change in process and an awareness of where to go if you as a parent or carer have a query. Watch this space in the coming weeks. As a community, we are committed to your son’s well-being and learning, in an environment that is supportive to his development. I will update you in the coming weeks about how you can more easily access the school for information in these areas.

Brendan Stewart | Deputy Principal

Deputy Principal – Operations and Data Analysis

From the Deputy Principal – Operations and Data Analysis

In the first Newsletter of this term, we included information and the link to our new Assessment and Reporting Policy. The change in the new QCE system, and ensuring our students are adequately prepared, required the College to look at the procedures surrounding assessment and reporting to make sure that these align with the requirements from the Queensland Curriculum and Assessment Authority (QCAA). If you would like to read the policy, a copy can be found on our College website at: https://www.ipc.qld.edu.au/studies/exams-assessment-study-documents/. Across the next few weeks, we would like to examine one aspect of the policy is greater detail. This week, we wanted to focus on Academic Integrity.

Academic Integrity

The QCAA have released handbook for teachers for the new system which has a strong focus on students and teachers maintaining Academic Integrity. The QCAA defines Academic Integrity as “…applying the principles of integrity to your academic responsibilities and approaching them in an honest, moral and ethical way.” (myQCE, March 2019). In the system of standards-referenced, school-based assessment conducted at Ignatius Park College, teacher judgments are used to determine students’ achievements. It is essential that these judgments are based on accurate and authentic assessment information.

During our staff meetings on Thursday afternoon last week, our staff were all asked to complete the QCAA Teacher Training for Academic Integrity. This stepped our staff through the changes required, their obligations to ensure work is authentic, marked correctly to the criteria and that meaningful feedback is given that does not compromise the authenticity of the students’ work. We believe that this will ensure that all our teaching staff are trained in, and aware of, the expectations required from the QCAA, as students progress through the grades. This consistency across all teachers and classrooms should help the boys to be more aware of what is required and better prepared for their assessment.

In our Academic Mentoring sessions for the past two weeks we have been working with the students to understand these changes, but more importantly how this may affect them, what to do and how they can seek help or support if confused or concerned. Years 7, 8 and 9 students have focused on:

- What does it mean to act with integrity?
- What is Academic Integrity?
- What is Academic Misconduct? How can it be avoided?
- Where can I get help?

The Year 11s are required to undertake the QCAA Academic Integrity Course for students as a part of their QCE journey. This has been occurring in Academic Mentoring sessions, with students learning the specifics of the guidelines and student requirements for three weeks prior to taking the course. Some Year 11s are still working on this and they will need to have shown successful completion prior to 5pm Thursday 4 April 2019.

If you would like to undertake the student course yourself, to see the requirements from the new system, parents are able to access this at: https://myqce.qcaa.qld.edu.au/academic-integrity-for-students.html.

Allison Elcoate | Deputy Principal – Operations and Data Analysis
Identity and Mission

O almighty and merciful God, Lord of the universe and of history. All that You have created is good and your compassion for the sins of humankind knows no limits. We ask You to restore peace to the world and its people, to keep far away from it the hatred and despair which give rise to terror. Give trust and a readiness to forgive to the hearts of your creatures.

O Giver of life, we pray for our Muslim brothers and sisters who have died as victims of brutal attacks in Christchurch. Wipe away their pain and tears before your throne of glory. O Jesus, Prince of Peace, we pray for the ones who have been wounded in these acts of inhuman violence. Heal their bodies and hearts; console them with Your strength. Holy Spirit, Consoler, visit the families of the victims. Wrap them in the mantle of Your divine mercy.

Touch the hearts of those who inflict terror, violence and division so that they may turn from evil actions to the way of peace and respect for every human being, regardless of religion or origin. O God, Eternal Father, hear our prayer which we raise up to You. We turn to You with great hope, full of trust in Your infinite Mercy. Grant us your peace. Through Christ our Lord. AMEN

Inspired by a prayer of Pope Francis

Kia kaha, New Zealand.
For the families mourning lost relatives, (Inna lillahi wa inna ilayhi raji’un).

Third Sunday of Lent
24 March 2019

Peter goes to a boarding school in the Solomon Islands which has experienced water shortages for 60 years. Previously, students would have to walk kilometres each day in search of clean water, which was particularly challenging for Peter who is living with a disability. With Caritas Australia’s support, the school has created a new reliable water system. With more free time and fewer illnesses caused by dirty water, Peter can fulfil his hope of focusing on his studies, providing him with brighter future.

Please donate to Project Compassion 2019 and help young people with disabilities gain access to clean water in the Solomon Islands, providing hope for a brighter future.

Lives change when we all give 100%. You can donate through boxes in Homerooms, by visiting www.caritas.org.au/projectcompassion or phoning 1800 024 413.

Lent is an invitation to return to God
• What are you grateful for?
• What things in your life do you need to give up?
• What do you have that can benefit others?

Johanna Smith | Deputy Principal - Identity and Mission

Parent Information Session - Being a Mum of a Teenage Boy
Wednesday 27 March from 7:00 - 8:00PM
rsvp@ipc.qld.edu.au or RSVP via Facebook
Tutoring
Some parents have been requesting information regarding tutoring. If you would like contact details for paid tutors in Maths and English, please contact me at the College.

Nadine Burnett | Program Leader - Learning Enrichment (Acting)

Teaching and Careers

Beyond School Study Guide
The Beyond School Study Guide has been developed to help students in Years 10-12 make important decisions about their future studies.

You can download the Guide here: https://www.studyassist.gov.au/you-study/beyond-school-study-guide

University Clinical Aptitude Test (UCAT)

Students wishing to apply for medicine at many universities in 2020 will need to do the University Clinical Aptitude Test (UCAT).

This is the first time this test has been nominated as the external exam. It replaces the UMAT which has been in place until now.

The UCAT can be done at any time in July. There are detailed and easy to follow instructions on the UCAT site which also has extensive instructions to candidates who have special needs.

Applications open 1 March and close 17 May. You can find information https://www.ucatofficial.com/

Students that are considering Medicine as a career need to undertake work experience in the occupation that they are interested in. JCU have a written application that requires information on Work Experience undertaken and an interview process. The interview is a critical part of the application process.

CQUniversity (SUN)

Congratulations to James Rowan (Year 11) who signed up in 2018 with the SUN (Start Uni Now) Program at CQUniversity and completed one unit of work from the Bachelor of Psychological Science. James studied over the Christmas holidays and is the first student from the College to undertake a university course while still at school.

There are certain conditions that apply to be accepted and permission needs to be given by the Principal.

For more information on how your son can apply for the SUN program please contact me by email: Phillip.Dembowski@ipc.qld.edu.au or phone the College to book an appointment.

Phillip Dembowski | Teacher and Careers Advisor

Music Notes

A great term so far for instrumental music at IPC. On any day of the week you can hear great music coming from the Band Room. The guitar lads are really rockin’, the drummers are keeping great time, our brass and woodwinds are blowing such sweet rounded notes, the pianists are delicately tickling the ivories and our singers are reaching new heights with great projection.

If you would like to join our program there is always room for more budding players on all instruments. See Mr Roberts for details.

Riley Maluga is having a great time with Mr Mitchell at his Ukulele lesson.

David Roberts | Teacher
Film, Television and New Media

Students in Year 10 Film, Television and New Media and continuing to compile their photography folio. The boys who selected this elective subject are studying digital photography this semester and are currently experimenting with capturing representations of Australia in their work. They have been studying compositional elements such as the Rule of Thirds, Leading Lines, Symmetry and Pattern and making use of these techniques in their photographs to create balance and aesthetic appeal. Year 10 student, Jack Connolly, is exploring the theme Wildlife in his folio. Some of Jack’s photos are below:

Katrina Guazzo | Teacher

Year 10 student, Max Sosnowski, is exploring the theme Urban Art in his photography:

These photos are by Year 10 student, Braydon Glover, who is experimenting with his drone and also DSLR camera to capture his pet dog Patch and his surroundings:
Mental Health - LIVIN

In 2019, we are again raising awareness in our College community about mental health and the importance of speaking up if you are experiencing difficulties. In Term 2, the students will be encouraged to wear their gear to declare that “it ain’t weak to speak”. As part of their Pastoral Care lessons in Week 2 next term, the students will be learning more about how to be mentally healthy and strategies to implement if they are struggling. LIVIN merchandise promoting that “it ain’t weak to speak” is being sold by Mrs Charge in her office. Shirts are $30, hats are $20 and water bottles are $10.

Dannielle Charge and Marilyn Parsons | Student Counsellors

Defence - ADFA Roadshow

Gain a job straight after graduation when you earn a UNSW degree through Australian Defence Force Academy.

Learn more about ADFA at Defence Force Recruiting, 71 Stanley Street, Townsville.

Join us for an information session held:

Wed 27 March 6:00PM - 7:00PM

Townsville Defence Force Recruiting Centre
71 Stanley Street,
Townsville, QLD. 4810

Leanne Mahoney | Defence School Mentor

Parents & Friends Welcome Night

A sincere thank you to the wonderful parents who came along to the ‘relaunch’ of the Parents and Friends on Tuesday evening.

For those who were unable to make it... you still have an opportunity for Tuesday, 2 April 2019 – 5:30pm to 7pm! Please provide your email details to me and I will forward the relevant information to you - marg.hodgson@ipc.qld.edu.au

At this meeting (AGM), we are hoping to finalise the governance structure and elect the following positions:

- President
- Vice President
- Secretary
- Treasurer
- Other Committee Positions

We all have gifts and talents and we would appreciate if you were able to share yours with us! We can promise you nice wine and great company!

Marg Hodgson | Deputy Principal - Community and Staff Development
**Tooth Room - Donations Needed**

As part of the ongoing nature of the Tooth Room, we are asking for donations of spreads (butter, vegemite, jam, cream cheese, etc. *no nut spreads please*). If you are willing to help, please bring a spread to the Tooth Room any weekday morning from 7:45am - 8:30am.

**Patrick McMahon** | Identity and Mission Coordinator - Faith in Service

---

**Debating**

Our Senior debating team consisting of Andrew Jones, Joshua Pether, Stuart Smith and Bryce Kenyon have started the year off well with a win against Pimlico last Tuesday night.

They argued the affirmative side of the topic, ‘No one should be allowed to post online comments anonymously’. The adjudicator was once again impressed with their enthusiasm, presentation and logical arguments. With the Round 1 win secured, they will move on to Round 2 early next term.

**Marita Martinez** | Debating Coordinator

---

**Sport**

**IPC Learn to Row Course**

The Learn to Row has commenced and is going great, so great in fact that we have decided to commence a second Learn to Row Course.

If you are interested in rowing please collect the Registration Form from Student Reception/Pastoral Office.

An email will then be sent to you with details of when the course commences.

---

**Camps**

**Outdoor Education - Year 8**

Year 8 Camps 2019 have been rescheduled to Term 2 as follows:

- **CAMP 1**
  NOLAN & REID
  Wed. 8 - Fri 10 May

- **CAMP 2**
  CAREW, PUTNEY & TREACY
  Wed 22 - Fri 24 May

- **CAMP 3**
  BAILLIE & RICE
  Wed 29 - Fri 31 May

More details about the camps have now been sent out. Thanks to all the families who have returned the consent and medical forms. It is much appreciated.

**Steve Coleman** | Outdoor Education Consultant
Mountain Biking News – Trailburners

The Trailburners MTB Club started riding Monday 18 March. We took it easy with the new members and just had a great time messing about on the trail skill toys at the Douglas trailhead and then took a spin up the newly re-opened “Easy Street”. The temperature was perfect and the trail conditions, in general, very good. It was a fun afternoon and all the boys were full of smiles. A really nice surprise was to have Michael along with his son. Great to see Dads or Mums sharing experiences like this with their boys. This is the stuff memories are made of.

We Race!

Every year, Rockwheelers MTB Club runs a series of races, similar to other Clubs in our region - for example, Mackay MAD MTB and Atherton Tablelands Trails. XC Cross Country Racing, Enduro and Downhill are all on offer. The first race of the year will be on Sunday, March 31, at Douglas MTB trail park.

Racing is a great experience for the boys. Win or not, racing is fun! So we encourage the boys to sign up and come racing.

Trail damage has been substantial on all three of the Rockwheelers and National Parks mountain bike trail complexes. It is quite amazing how quickly the riders get the trail tools out and repair the trails. I believe there is close to $75,000 of damage to the trails. This, of course, does not include the endless hours of volunteer time required to help rebuild. Very proud to thank Darcy Cussen, Connor Browning, Eden Mordike and Clancy Blacklock for coming along even when the heavens opened, to rebuild trail. We worked hard and had a great laugh at the same time. If you would like to help as well but cannot get out to swing a shovel or trail rake, perhaps you might help in kind. Rockwheelers has a GoFundMe page which thankfully is going well. Head over to https://asf.org.au/projects/townsville-rockwheelers-mountain-bike-club/ if you’d like to help out.

Staff are looking forward to a fun 2019 riding with the boys on our wonderful trails.

If you’d like to follow our Club or get involved, then the Facebook group is open to view but also available for parents and Trailburners for membership requests https://www.facebook.com/groups/trailburners/ or simply search for “Ignatius Park Trailburners” on Facebook.

Keep an eye out for more photos and information in future College Newsletters. See you on the trails!

Keith Spencer | Trailburners Coordinator
**Hockey**

Congratulations to the following boys have been selected in the NQ Hockey Team:

Daniel Scott, Callum Jame, Curtis James, Sebastian Petrie, Sawyer Faulks, Kye Johnston, Drew Boniface

Zachary Judge (selected as a shadow player), Joseph Dixon (selected as a shadow player)

*Jye Spriggs | Teacher Aide*

**Rugby League**

**Year 7**

In Week 7 IPC Blue drew with Cathedral while IPC White defeated Kirwan Black. The boys were then excited to have the services of North Queensland Cowboys Development officer Liam Bartlett at training on Monday afternoon in preparation for their game against Kirwan. Liam taught the boys basic core skills of Catch and Pass. The boys certainly put these skills into good practice, combining to defeat a combined Kirwan team 3 tries to 2. Some of the Year 7 boys are pictured below with Liam at training.

**Year 8**

IPC Blue are continuing on their winning way defeating Cathedral, Abergowrie and Thuingowa in the opening rounds of the competition. Mr Abdul-Rahman has the boys firing and excited as they prepare for their big encounter with Kirwan who our IPC White boys have previously defeated. IPC White unfortunately had no game for two weeks with the forfeits of Abergowrie and Thuringowa. Mr Power has the boys working hard at training and they are looking forward to their final hit out next week.

**Year 9**

It was an all IGGY Park affair in the Year 9s with Mr Laguna and his IPC White boys coming up against the might of the previously undefeated Mr Parker’s IPC Blue. In a thrilling game of Rugby League, where the final result was never sealed until very late in the contest, IPC Blue continued on their winning ways as they push towards an undefeated season. The final score was IPC Blue 22 IPC White 10. Boys from both teams are pictured after the contest in a true sign of IGGY PARK Spirit.

*Christian Quabba | Teacher*

**Rugby League - Cowboys Challenge Round 1**

The Year 10 Rugby League team would like to thank all the supporters who came along to yesterday’s game against Kirwan SHS. A special mention to Mr Lansley, Mr Iemma and senior, Taine Catelan, who gave up their afternoon for us.

The hard fought 16-10 victory was born from a team first attitude. The boys were relentless in their effort and some class from Sean Bourke close to the line resulted in two 4-pointers. Frank Backo got on the end of a slick right edge play to bag the other try.

Strong leadership from experienced halves, Tom Duffy and James Yardley, as well as tough 50 minute performances from Lucas Dummett and Wade Jonsson were also highlights of the afternoon. Our undersized forward pack was absolutely outstanding against a much bigger opposition.

We are extremely proud of the past five weeks of hard work and we now set our sights on Round 2 early next term.

(IPC 16 - Tries: Sean Bourke (2), Frank Backo. Goals: Tom Duffy (2) defeated Kirwan SHS 10)

*Matthew Groves | Pastoral Leader and Mark Holmes | Faculty Leader*

**Soccer - Bill Turner Cup**

Trials for the Bill Turner Cup will be held after school on Friday, 29 March. Students wishing to take part must attend a meeting in Room 105 on Monday to collect a permission form, which must be signed by parents and returned. The nationwide event starts next term.

*Jonathon Peace | Teacher*
Rowing
This Sunday, a group of seven boys will be departing for Sydney for the National Rowing Championships which will be raced at the Sydney International Regatta Centre. The Australian National Rowing Championships will have over 2,000 competitors from across the country as well as some international crews and is the second largest regatta in the world. This will be a fantastic experience for the boys who are attending, and they will race hard and do the school proud. This is an unprecedented level of representation for Ignatius Park and, for the first time in the school’s history, we will be competing in the schoolboy’s quad scull. These boys have been training twice a day since the end of September in preparation for this event. During this time, the boys competed in the QLD State Championships Regatta, which we had twelve boys compete in and all performed strongly and many medals were won. This event was used as a selection event for the Nationals team. The Nationals squad consists of Anthony Grech (Grade 12), Elliott Basso (Grade 12), Joshua Holcroft (Grade 11), Zachary Judge (Grade 11), Zachary Skipp (Grade 10), Atticus D’Mello (Grade 10) and Jake Gilmore (Grade 9). They will be competing in the U17, U19, and Schoolboys categories and will race from Monday 25th March to Sunday 31st March. The schoolboy’s events and Finals will be livestreamed from Friday to Sunday via YouTube for anyone who wishes to support the boys in Australia’s biggest Rowing event. If you are interested in learning to row yourself, please stop by the office and collect a form or if you have any questions or queries please email Tracy Klassen (rowing@ipc.qld.edu.au). We currently have a learn to row program running now, but it is not too late to join as we will be running another program at the start of term two.

Tracy Klassen | Rowing Co-ordinator

Basketball
Three from Three!
Congratulations to all three junior teams that won their games this week. IPC Red built on their momentum from last week with a comprehensive win over Grammar.
IPC White were forced into overtime for the second time in three weeks, this time against Calvary. Again, they prevailed in extra time winning by two points. Kynan McMahon, Logan Maggenti and Logan Robertson were the pick of the players in a strong team performance. IPC Blue also had a close encounter against Southern Cross, running out eventual winners by four points.

All coaches are very pleased with the efforts the boys are putting in and the development of each of their teams. Its great to see our less experienced players enjoying themselves and making significant contributions on the court.

Week 8 Games
IPC Red 67 defeated Grammar 8
IPC White 54 defeated Calvary 52
IPC Blue 52 Southern Cross 48

Week 9 Games
4pm IPC White v Southern Cross at Southern Cross
3.30pm IPC Red v IPC Blue at Ignatius Park

Gary Hughes | Teacher
