21 January 2021

Dear Parents, Carers and Students,

## Students Travelling By Bus To And From IPC In 2021

I hope you have had the chance to peruse the websites regarding bus travel in 2021. To ensure that we are aware of what students are travelling by bus, I am asking **parents and carers of those students who do travel by bus to complete the "Bus Travel Advice" form attached.** Students must **return these forms by the end of Week 2.** Checks will be done in Week 3 to ensure that everyone is included.

A copy of the Bus Travel Advice form is attached along with the morning and afternoon bus schedules relevant to school travel. If you would prefer to fill the form in electronically, it can be emailed back to [StudentServices@ipc.qld.edu.au](mailto:StudentServices@ipc.qld.edu.au)

One benefit of this process will be to allow us to check on those students who request permission to leave school early to catch buses. At this stage, only students who catch the following afternoon buses will need to leave classes at 2.50pm.

At this time, to the best of our knowledge, early bus students (leaving class at 2.50pm):

No.36  
No. 200 (To city and ferry only)  
No.208  
No.14

Regards

**Johanna Smith** | Director of Students
