Amenities

There are two cold water stations located under the canopy area. Two taps are to be installed to enable hose connections to fill water chillers for events.

Toilets are located at the back of The Science Place in Building 142.

JCU Parking and Permits

For parking information, refer to the [Townsville Campus Parking](#) webpage.

Security

Security lighting will automatically turn on at 6:15pm each day.

To access the podium, contact 4781 6000.

In the event of an emergency, phone 4781 5555.

Audio Visual

To view equipment details for Central Plaza, visit the [Central Plaza Room Details](#) page.

To access the audio visual equipment, contact Audio Visual Services on 4781 4643.

BBQ's

There are two electric BBQ's and a sink located on the deco area of Central Plaza.

Food Trucks

Three food trucks are able to park along the reinforced grass area and food trucks must weigh less than 25 ton. There are three power outlets rated at 15 amps for food truck use.
