

Dear educators,

School students are invited to attend a facilitated Co-Design Workshop to help shape the future of Todd Mall, Leichhardt Terrace and Hartley Street car park, in the town centre of Alice Springs.

All students are welcome.

Depending on the level of interest, a co-design workshop or focus group will be held at Alice Plaza (where our team will be working on developing concept designs over three days).

Date: Wednesday, 4 October 2023

Time: 11am – 12pm

Where: Alice Plaza (shop front facing Todd Mall)

Understanding that school holidays are approaching (next week), the project team would appreciate any internal or external promotion of the workshop via your school newsletter or through teachers if possible. Young people's opinions and input in this process is important.

We would like to get an indication of the number of students who may be interested.

If you have any enquiries or students would like to register to participate, students can do so by contacting the project team by emailing feedback@regeneratingalicetc.com.au or calling 1300 895 538.

Community drop-in information sessions will also be held at the following times and locations:

- Tuesday 3rd October, 2pm – 4pm, Todd Mall, near lawns
- Tuesday 3rd October, 5pm – 7pm, Alice Plaza (shop fronting Todd Mall)
- Wednesday 4th October, 10am-1pm, Todd Mall, near lawns

The above times are available for view on the project webpage.

[Regenerating the Alice Town Centre \(regeneratingalicetc.com.au\)](https://regeneratingalicetc.com.au)

Master planners, retail specialists, traffic engineers and engagement specialist team members will be leading the workshops.

Thank you

Kind regards,

Belinda
