1. Development

1.1 Development Application Lodgement Fee¹

		GST Inc.
Type 1	A development or activity not pertaining to an IDAS assessable development	\$412.00
Type 2	Uncomplicated minor development that does not have an environmentally relevant activity (ERA) and therefore does not have any referral agencies	\$823.00
Type 3	Relatively uncomplicated development that may involve one or more ERAs and require detailed planning and environmental assessment	\$2,749.00
Type 4	Complex application that almost always involve ERAs and potentially other referral agencies, such as the Department for Environment and Heritage Protection (DEHP) and Maritime Safety Queensland (MSQ). These applications generally require detailed analysis of environmental impact or risk assessment and may require development-specific modification of existing infrastructure	\$16,476.00

1.2 Fee Refunds²

Refunds are in accordance with the following IDAS stages;

Application (up to end of stages as defined by the <i>Integrated Planning Act 1997 (QLD)</i>) - 80%
Information and referral (up to end of stage as defined by the <i>Integrated Planning Act 1997 (QLD)</i>) - 40%
Notification (up to end of stage as defined by the <i>Integrated Planning Act 1997 (QLD)</i>) - 20%
Decision (up to and including when the report is completed prior to decision) - 10%
After decision is made (irrespective of outcome) - Nil

1.3 Assessment of Technical Report³

Where the Corporation's Planning Officer requires the submission of a technical report for review by external advisor/s to facilitate the assessment of the development application, condition of approval or leasing requirement, additional fee's may apply.

Any additional fees will be invoiced to the applicant at the rate charged to Port of Townsville plus 10% administration charge. The Planning officer must notify each applicant of any additional fees that may apply in this instance.

9. General Information

GST Inc. refers to Goods and Services Tax included in the price,
 GST Exc. Refers to Goods and Services Tax excluded in the price.

¹ All Development applications are required to be accompanied by the relevant fee. An application is not considered to be a properly made application until the relevant fee has been paid. Applicants are encouraged to discuss the calculation of the relevant fee with the Planning Officer prior to lodgement of the development application. The same base fee applies whether the application is for preliminary approval or development permit.

² Once a development application has been made to the Port of Townsville, an applicant can request a partial assessment fee refund. To qualify for a partial assessment fee refund, an applicant must provide written notice to Port of Townsville Limited of their withdrawal of their application pursuant to section 3.2.11 of the *Integrated Planning Act 1997 (QLD)*. Refunds are made as a percentage of the original assessment fee paid by the applicant at the time of lodgement.

³ Examples of technical report may include but not limited to:

- Acid Sulphate Soils
- Acoustic Noise Analysis and Report
- Air Quality Analysis
- Cultural Heritage Management Plan
- Economic Impact Study
- Electric and Magnetic fields Analysis
- Environmental Management
- Flood Study
- Hazard and Risk Impact Assessment Study
- Landscape Plan
- Lighting Assessment Report
- Stormwater Quality Management
- Traffic Study

⁴ The Provision of Raw Data to third parties is subject to the Port of Townsville’s Data Policy in place from time to time. Raw Data provided to third parties in accordance with this policy is to be charged as per below:

- a) Standard Reports — the provision of raw data related to the following categories will be in a standard prepared report format (see table in section 3. Spatial Data for charges). Any requests for specific data formats, extracts or topics will be charged out as a special/ad hoc data request.
- b) Special/Ad Hoc Data Requests — For information/data other than provided under part 1 (above), a base cost of \$256.00 (GST incl.) will apply, and in addition, charges will also apply for administration/investigation costs incurred by POTL environment and GIS staff. Please see section 5 of this manual for applicable staff hourly charge rates.

⁵ Regulatory charge — *Right to Information Act 2009 (QLD)*, *Information Privacy Act 2009 (QLD)*.

⁶ Note: Access charges for RTI and IP application are not to include the following:

- If the documents are provided on a CD—the cost of the CD; and if the documents are sent via email—the cost of sending the email.
- The Right to Information Privacy Charges are GST free.

⁷ Please contact Port of Townsville Governance and Legal Advisor for further details.

⁸ These are Regulatory Charges.

⁹ Please contact Port of Townsville Corporate Affairs and Trade Co-ordinator for further details.
