## 1. POLICY STATEMENT

Catholic Education – Diocese of Rockhampton (CEDR) will provide a supportive environment that is founded in Jesus Christ and endeavours to promote and enhance the holistic development of each member of the school community.

Pastoral Care is the responsibility of each person involved in Catholic Schools. It is embedded within and across all domains of school life and is enacted through and within reciprocal relationships.

## 2. DESCRIPTION

Pastoral care is central to the mission of CEDR and has its origins in our belief that each person is made in the image and likeness of God and deserves to be treated with dignity and respect.

Pastoral Care involves the creation of an environment where the spiritual, social, physical and emotional needs of individuals, groups within the school community and the whole school community are addressed.

4. Catholic Schools will consider forming strategic partnerships and accessing services that will enhance pastoral care within the school community.
5. Catholic Schools will seek opportunities to build pastoral care capacity across the school community.
