

Coronavirus Update – 15 May

Dear Parents, Carers and Staff,

The Queensland Premier announced today that Years 2 to 10 students will be able to return to school from Monday 25 May. This is possible given the low transmission rates in this state.

From Monday 25 May, face-to-face learning at school will be the only mode of learning and teaching for all year levels, as home-based learning will no longer continue.

Extra hygiene measures and social distancing arrangements will continue to be implemented to minimise risk to students, staff and families. For those who feel unwell, I encourage you to stay at home.

Children of essential workers and vulnerable children are still able to attend school next week.

If you have any questions about these arrangements, check out the [FAQs](#) page on the Queensland Department of Education website.

REMINDERS

- Please remind your child/ren of the importance of washing/sanitising their hands while at school.
- If Junior Campus students have borrowed a school device and are attending school on some days, they're required to bring their laptop to school.
- If students from any year level have borrowed a school device and no longer require it, please return it to the Junior Campus Library or The Hub (Senior Campus).
- A huge thank you to everyone for your cooperation with the new drop off and pick up arrangements at the Junior Campus. Just a reminder that the speed limit in the Cowboys Carpark is 20km/hour. Please slow down for everyone's safety.
- Students are strongly encouraged to bring a water bottle to school each day.
- Assemblies, camps, inter-school activities, sporting and arts events have either been postponed or cancelled.

Be positive, be cheerful and be hopeful.

Regards

PC Ouffey

Paula Duffy
Acting Principal
