

Coronavirus Update – Friday 27th March

Dear Parents, Carers and Staff,

Well, we've made it to the end of a massively eventful week! We are in one piece, breathing and very much alive...so much still to be thankful for!

A heartfelt thank you to each of you for your support, patience and understanding as, together, we step into this uncharted territory. Thank you for the emails and messages of support and encouragement. In these trying times it means a great deal!

I want to acknowledge the tireless work of the College staff who have this week gone above and beyond to ensure that the College (your children) will continue to be provided with the very best of opportunities from next term. This is difficult times for them as well.
