## CREDIT POLICY

St Brendan's, as an Edmund Rice Education Australia School, is committed to providing quality Catholic education and care for all our students. E.R.E.A. have always made every effort to educate young people regardless of financial background. At the same time, the College must operate in a business-like manner. Hence the need for this credit policy.

### 1. Issuing of accounts

School fee statements are issued on four occasions throughout the school year. A fifth account is issued close to the end of the year for incidental items incurred.

### 2. Payment of fees

All school fees are due to be paid in full on the first day of each term. However, parents may wish to enter into a regular alternative payment arrangement. Please contact the Accounts Receivable Officer to arrange payment to cover fees by either direct debit or credit card.

### 3. Discount for Fees Paid in Advance

A discount is available where the annual tuition fee is paid in full and received at the College by the first day of Term I. For 2021 the discount is 5% of the Tuition & General Purpose Levy only.

### 4. Action on overdue accounts

The Business Manager will draw to the attention of the Principal all delinquent accounts, together with a recommended course of action. One such action could be the authorisation of formal recovery action. All costs associated with recovery action will be passed onto the parents or guardians.

**N.B.** Participation in excursions, trips or sporting tours is not allowed if an account has been declared delinquent, or if payment is not received prior to travel, unless specific approval is granted by the Principal.

### 5. Refund Policy

The College will not refund any fee should the student fail to complete the term.
