

Registration instructions for the secondary schools competition

When you register, it is very important to select the right category of members AND to pay the Rockhampton Water Polo club fee.

Social membership is the category to select if your child only plans to play in your school's team in the local secondary schools competition. You can select this membership level even if your child is under 13. This membership category will cover participation in Term 4 and/or Term 1 of the sport.

Youth Regional membership is the category to select if your child is planning to also compete at the state or national level on representative teams.

You must also go to 'Add ons' and tick the box below to add the RWP club fee. If you do not do this, it will mean an additional invoice will have to be raised and paid for this amount.

The screenshot shows the 'Rockhampton Water Polo' registration page. At the top left is the logo, and to its right is the title 'Rockhampton Water Polo' and the word 'Registration'. Below the title are two buttons: 'REGISTER >' and 'RENEW >'. A dark bar contains the text 'Register as a new member'. Below this are input fields for 'First name:*', 'Last name:*', and 'Date of birth:*' (with dropdowns for Day, Month, and Year). Another dark bar is labeled 'Registration type', followed by a dropdown menu currently showing 'Social - \$60.00'. Below this is the text 'Please choose:*' and a small information icon with the text 'Please select this product if you are 13 & over and wish to participate in a social, casual water polo program not exceeding 8 weeks duration.' The 'Add-ons' section follows, containing a checkbox and the text 'Social Member Club Fee (\$10.00) Please select this Club Fee if you are registering as a Social Member'. At the bottom right of the form is a 'NEXT STEP >' button. A large blue arrow from the left points directly to the checkbox in the 'Add-ons' section.
