5. BUSINESS ARISING FROM THE PREVIOUS MEETING

Tea Towel Update

The tea towels are now completed and there a few leftovers. The process was a little time consuming but overall thanks to Bec all orders were packed and delivered to all recipients by the end of first week of term. This process has taught some good lessons for future fundraisers such as payment recording and timeframes.

The success of this fundraising will be on the Expressions website as a successful school which is a lovely recognition of our P&F.

Catholic School Parents – Diocese of Townsville 2020 Engagement Grants

Unfortunately, we missed out on the grant as the panel felt this is just a school event. There is not engagement in learning and wellbeing. The equipment etc is about parent involvement not engagement. This equipment would not enhance parents further engaging in their children's education.

Over the next few months we will all need to think of ideas for parent engagement of their children's education, for us to have a better chance of achieving a good result.

6. INWARDS / OUTWARDS CORRESPONDENCE

- Email: Administration and Treasure with agreed purchases of groundsman equipment
- Email: Minutes to College administration for College website
- Email: Tea Towel – multiple Parents with outstanding payments and collection information
- Email: Expressions Tea Towel feedback for a successful fundraising school
- Email: Received from College Engagement Grant result of proposal

7. GENERAL BUSINESS

After School Hours Care

Elyse emailed this afternoon to express her concerns that there are some issues with Oshc. There have been lots of staff changes and not much communication with the parents.
