**4. BUSINESS ARISING FROM THE PREVIOUS MEETING**

- a. Fundraising - group to look into Local Community funding grants. It was noted many grant guidelines do not cover the intended purpose of Friends of Music and would not be a suitable solution for fundraising. A dinner/music night was raised proposing 45rpm band contributing their services to entertain including the College's various artists. Ideas included the undercover area outside P Block as the venue incorporating the commercial kitchen, as well as a bar which would require a person with an RSA certificate. The intent is to invite and sell tickets to the school community and extended families to an evening consisting of dancing and supper or progression of foods, possibly a themed evening. The College calendar needs to be reviewed with a possible date in Term 4 for the event. Paul Allan to discuss with College Principal.
- b. Mulkadee - allocation of school work. Due to the required school work to be covered for the term/year further flexibility is unable to be given.

**5. REPORTS**

- a. Program Leader - The Arts - Report was tabled and is attached to the official record of the Minutes.
  - Quote to purchase the Tuba, Baritone and Tenor Saxophones totaling \$14,896 was advised. College waiting for the arrival of the Baritone Saxophone.

- Choral Risers are being sourced as the next project. It is proposed for the College to purchase three tiered choral risers, at \$2,500 per unit plus safety rails at \$990 for each choral riser. Paul Allan to discuss with College Principal.
