Our school uses **Compass**
as our Parent Portal

What does the Compass Parent Portal do for me?

Using Compass allows you to access up-to-date and meaningful information about our school and your child's progress. Compass includes many different features, including the ability to:

- Monitor your child's attendance, and enter an explanation for absence or lateness
- Communicate with your child's teachers, and update your family contact details
- View your child's timetable and the school calendar
- Monitor your child's learning tasks
- Download and view your child's semester reports
- Book parent-teacher conferences *(Not yet in use for our school)*
- Pay and provide consent for events and school fees *(Not yet in use for our school)*

Our school will advise parents when each of these features becomes available for parent use.

Accessing Compass

Compass is a web-based system that is accessible on any modern web browser (Internet Explorer, Firefox, Chrome, Safari) or by using the Compass iOS or Android apps. Search for 'Compass School Manager' in the App Store or on Google Play.

Every parent receives a separate login to Compass which will be provided to you by our school.

To access the parent portal via your computer, go to our school website and click the Compass link on the homepage. Alternatively, you can go directly to our Compass Parent Portal using the address

https://sptsv-qld.compass.education/

To use the parent Portal on your mobile phone, you will need to obtain the **Compass School Manager** app from either the App Store or the Google Play store.

Logging in to Compass

To log in, you will require your unique parent username and password. These details will be provided to you by our school.

Upon first login, you will be required to change your password and confirm your email address and mobile phone number. These details may be used by our school for SMS, password recovery and email communication throughout the year.
