WEEKS 6- 10 TERM: 3| 2022

FROM THE PRINCIPAL...

Dear Members of the St John's Catholic College Community,

Year 12 Students:

As the humidity and temperature starts to rise, as does the pressure on our Year 12 students as they complete their final assessments and undertake their final exams. Our Year 12 cohort are an amazing group of young men and women, and the College has tremendous confidence in their future. Please keep our Year 12 students in your prayers over the next few weeks.

Cum Laude and Magna Cum Laude Awards:

Congratulations to the following students who were recently acknowledged, affirmed and celebrated for academic excellence at our annual Cum Laude and Magna Cum Laude Awards. Cum Laude Awards were presented to students who achieved 50%+ of A Grades on their Semester 1 Report Card and Magna Cum Laude Awards were presented to students who achieved 100% of A Grades on their Semester 1 Report Cards. This year our keynote speakers were representatives from the Australian and British Defence Forces who were participating in Operation Pitch Black.

Staffing Update:

I am pleased to welcome Francis Wapau to the College in the position of Physical Officer: Grounds Person. Francis joins the College with experience across a number of industries including grounds and maintenance, security and has previously operated his own small business. Francis is well known around Darwin through the various sporting organizations he is involved with. We welcome him to the team. In addition, we give thanks to Mark, Peter, Simon and Jono who have carried the grounds work during this interim period.

Renewal Of The College Phone Policy:

The College recently wrote to parents/guardians to engage in a consultative process to determine the policy settings for our mobile phone and social media policy for 2023 and beyond. Until date, the College has held a 'responsible use' policy position, whereby students have been permitted:

- To bring their mobile phone to school
- Access their mobile phone during breaks
- Utilise their mobile phone in class for approved purposes (at teacher discretion)

Whilst the majority of students have respected the 'responsible use' policy position, mobile phones and social media continue to raise concern in the College and wider community. Assistant Principal Religious Education, Mr Richard Bryant will be coordinating the consultative process and leading the policy development. Students, staff and parents/guardians interested in being part of the policy development working party are invited to make contact with Mr Bryant. The College invites all parents/guardians to complete the following survey to assist the College in determining the new policy settings. The survey can be accessed via the website: www.menti.com and will be available until Friday 30 September.

Student Survey: www.menti.com
Access Code: 1320 8907

Renewal of the House (Sports) Polos:

In 2020 (for 2021) the College renewed our uniform to the current red polo. Current stock levels now present the opportunity to renew the House (sports) polos to be aligned with our red polo. This will be phased in over the coming year as stock levels of the current sports polos diminish and are replaced with the renewed design. Students are not required to purchase / replace their current sports polo, this will gradually take place over time. The renewed House polos include: white piping as per the red polo, the SJ Eagles sports crest and updated embroidery of the House crests. In addition, 2024/2025 should present the opportunity to reintroduce Doneley House as enrolments grow. A colour, symbol and Larrakia mascot are still to be determined. Given the success of House Spirit Fridays, the College will institute this across most Fridays in 2023, where students will be expected to wear their House polo.

BGA - 2023:

Just a short update to inform the community that our application for capital works funding for 2023 is still progressing through the Block Grant Authority. Recently the Priorities Committee visited the College to view the site of our application – the installation of external CCTV across the Hartzler and Chevalier Campus. The BGA is a competitive process, and with the 2023 program oversubscribed, the College patiently awaits a decision in late November / early December.

Upcoming Events:

Term 4 provides the opportunity to gather as a College Community to acknowledge, affirm and celebrate student success across our College Community. Please add the following events to your diary:

Presentation of Awards Evening

Date: Monday 21 November

Time: 6:00pm

Location: Jubilee Hall

Valedictory Mass

Date: Thursday 24 November

Time: 9:00am

Bring Your Own Designated Device (BYODD) Laptop Program:

St John's Catholic College is transitioning to a Bring Your Own Designated Device (BYODD) laptop program. The program commences with Year 7 in 2023 and will be phased in over the coming years. Students are required to bring their own laptop to school daily, as part of their learning equipment. St John's will implement a dual (supported and unsupported) BYODD laptop program giving students and families flexibility and choice.

BYODD Implementation Schedule:

- 2023: Year 7 + any other interested student (senior students recommended)
- 2024: Year 7 & 8 + any other interested student (senior students recommended)
- 2025: Year 7, 8 & 9 + any other interested student (senior students recommended)
- 2026: All students (Years 7 - 12) to have transitioned to the BYODD laptop program

Please note that ABSTUDY funded Boarders will have their BYODD laptop coordinated by the College (commencing with Year 7 in 2023). All other students including non-ABSTUDY funded Boarders will need to coordinate their own laptop in accordance with the information supplied below.

Bring Your Own Designated Device (BYODD) Laptop Program – Supported Program:

The College has partnered with technology for education firm Edunet for the BYODD supported program. Families selecting this option purchase one of three designated laptops through the Edunet portal from a 'good, better, best' price and specification structure. By participating in the supported program students receive access to College WiFi, use of the College Image (software / programs) and IT support, as well as the resourcing, support and benefits of the Edunet program. Compulsory items within the package include a software imaging, three-year warranty, carry bag and an 'eduskin'. The College highly recommends families purchase insurance either through the Edunet portal or through their Home and Contents insurance policy.

To Order Through Edunet:

- Edunet Information Video: copy and paste the following link into a web browser: ednt.link/BYODVideo
- Edunet Website (St John's Portal): <http://stjohnscollege.technologyportal.com.au/>
- Access Code (St John's only): SJC2023
- Edunet Support: 1300 338 638 or portal@edunet.com.au

Bring Your Own Device (BYOD) Laptop Program Unsupported Program:

Students are also permitted to bring their own choice of laptop (meeting the listed minimum specifications below) through the BYOD unsupported program. The term 'unsupported program' refers to students/families being responsible for all matters associated with the device – purchase, warranty, programs, maintenance, insurance, etc. Please note that there is no guarantee that BYOD devices will be able to access the NT Schools Network and connect with the College WiFi. The College will only provide limited IT Support to students electing to participate in the unsupported BYOD program. Although not mandated, Apple and Google Chrome devices are not recommended for the BYOD unsupported program due to their incompatibility with the NT Schools network.

BYOD Recommended Minimum Specifications:

- Windows 10 or higher
- 8GB RAM
- Wi-Fi
- 10 inch or larger screen size
- Good processor: Example: Intel Core i5 or Ryzen 5 or higher
- 3-year warranty (including battery)
- 256GB storage
- Software – Microsoft Office and Adobe recommended

Computer Labs:

The College will continue to maintain several Computer Labs as we transition to the BYODD laptop program.

Delays Expected:

Please be advised that due to the global constraints on manufacturing and logistics we are expecting delays on orders and couriers. We recommend placing your order as early as possible to avoid delays and to secure a device while we have stock.

If a device is out of stock please refer to the ETA stated on the portal. ETA's are estimated and subject to change due to delays from manufacturing.

Date:	Order Cut Off Date:
Day 1, Term 1	26th of December

*** Cut off dates are only for devices listed on the portal as in stock. If a device is out of stock we can't promise a Christmas or Day 1, Term 1 delivery.**

If you place your order after the cut off dates we will do everything we can to deliver as soon as possible.

Please be aware that that if your school has a requested delivery date, your device won't be delivered until that specified date. The portal will inform you next to each device if there's a preferred delivery date set by the school.

If you have any questions about the device or the ordering process, please contact us on **1300 338 638** or email portal@edunet.com.au .

Why Edunet?

Education Specialists:

Edunet is proud to be an Authorized DET Supplier for Government Schools and also a trusted advisor for many Catholic/Private & Independent K-12 schools. With over 18 years' experience in both IT and Education, our strength is in our quality of service and our mission is to maintain long term relationships that benefit both school and community.

Education Devices & Prices:

Edunet are Authorized Education Suppliers for key Device manufacturers. Because of this, we are able to provide the lowest Education pricing on a range of laptops that aren't available in the retail stores!

Access to School IT Support:

By purchasing through the school's Edunet portal, it provides your School's IT Team the visibility to assist with any warranty/insurance faults. If the device can't be fixed by the School Tech, they will reach out to Edunet and we'll come onsite to the school and repair the device.

Speak to your school for clarification, but if you bring a device from a retail store or from home the school will only be able to provide limited support. This is because the warranty and insurance support is managed by the retailer you purchased the device from.

Onsite Warranty Support:

As an Authorized Warranty Service provider, Edunet are able to provide onsite repairs under the genuine manufacturer's warranty with genuine manufacturer's parts.

By purchasing the Onsite Warranty through Edunet, you will be able to call on us to repair your student's device at the school, or at your home if it's during school holidays!

If you purchase a device through a retail store, it likely means repairs are done at their repair depot, which means you'll need to hand the device over to them for an unknown amount of time.

12 Months Interest Free:

Through ZipMoney you will be given the option to pay off the purchase with 12 months' interest free financing. Further information on ZipMoney is provided below in this information pack.

FAQs – Page 1

Where is my order delivered?

- **IF** your school has Australia Post, the device will be delivered to your nominated address. We recommend considering putting your work address because Australia Post won't leave the device without someone there to sign. If delivery is unsuccessful, the device will be returned to the nearest Aust Post depot for you to collect within 10 days.
- **IF** your school has no Australia Post, the device will be delivered to your school for them to setup. The school will be in contact with you to collect once the device is ready.

Which device should I choose?

This will largely depend on the subjects your student is doing, always seek advice from the school if you're unsure. As a general rule most of your student's work will be web browsing and word documentation, which doesn't require a powerful/expensive device. It's only when the student is doing media / art / graphics subjects that you may need to consider a device with a better Processor or more RAM.

If your student isn't doing art or graphical subjects we always recommend looking at the cheaper/more durable Education specific models!

If I choose Zip finance, when do the repayments start?

Your once off account setup fee of \$99 will be taken out immediately (if you haven't got an account already). Your repayments won't begin until the device has been delivered by Edunet.

Can I hand this device down to a younger sibling?

Absolutely! All warranty/insurance purchased follows the device, regardless of who's using it.

Can we get a discount for a purchase of more than one?

We don't require parents to buy multiple devices to take advantage of a bulk discount. Edunet negotiates with the brands of the devices to get a bulk discounted price for Education. The price you get for one device already has a bulk buy discount applied because Edunet supplies to hundreds of schools across the state.

What is the difference between warranty and insurance?

Warranty covers manufacturer's faults, whereas Insurance covers accidental damage caused by your student. For example dropping the device and breaking the screen, or liquid damage would be covered by Insurance. We recommend reading the PDS on our website on the insurance for more details.

FAQs – Page 2

Can I purchase spare chargers or other accessories?

Yes. Additional chargers or replacement pens/bags can be purchased via our accessories portal below:

Website: accessories.edunet.com.au

Can we do split payments?

Yes you can, but Edunet cannot process your order until full payment has been received. Please ensure the order's confirmation number is put in the payment description when payment is processed otherwise we will not know which order to put the money against.

Can we order with Zip over the phone?

We cannot help with processing an order over the phone if you want to use Zip financing. This is because Zip requires your personal banking information.

What happens if I'm declined by Zip?

First step is to get in contact with Zip directly. They may just require some additional information to then approve your order. If you have been declined it's best to speak with your school around what options they may have available to you.

Zip's Number: 02 8294 2345 (9am – 6pm Monday – Saturday)

What are the compulsory / mandatory items?

The school may want you to purchase particular options to ensure the device is protected. Common mandatory selections is a 3 year onsite warranty. Edunet cannot remove these mandatory items without written approval by your school.

What happens if my device stops working?

First step is to take it to the school in case it's something software related they can fix immediately. If they can't fix it they'll lodge a service job with Edunet's Repair team and we'll be in touch to organise a repair.

Should you have anymore questions or concerns please do not hesitate to contact Edunet:

Upfront Payment

Edunet provides two options for upfront payment through the portal.

The first option is to pay by any VISA or Mastercard. Note that all card payments incur a 1.5% surcharge that's passed on from the bank.

The second option is to direct deposit the full amount into our bank account. There is no charge for doing this. Parents can make the transfer via their online banking or go directly to their Bank branch and deposit there.

Payment Plan

No Credit Cards

No Backdated Interest

12 Months Interest Free

What are the costs?

- Once off account set up fee if you don't already have a Zip account. This starts at \$25 for an order up to \$2,000, \$45 for \$3,000 and \$99 up to \$5,000.
- \$7.95 monthly account fee (only while there is a balance left)
- Standard credit card interest ONLY on residual amount after 12 months.

You won't be charged extra for paying the loan off before the 12-month period, and more importantly parents incur no additional charge for selecting zip instead paying by Credit Card or Bank transfer.

RE: House Spirit Fridays – Term 4, 2022

Dear Members of the St John's Catholic College Community,

One of our strategic goals as part of our Annual School Improvement Plan (ASIP) is to further develop our College and House identity, pride and spirit. In recent years, the College has: renewed the college uniform, designed a sports logo, introduced a sports uniform and placed key signage around the grounds. In 2023, our house shirts will be renewed in line with college uniform (see below).

During Term 2, the College trialed the wearing of House Shirts on selected Fridays. Given the overwhelming success of this trial, House Spirit Fridays has been extended into Semester 2, with a view to instituting House Spirit Fridays as a regular part of the College structure and uniform expectations.

Therefore, House Shirts (Daley, Burford, and O'Loughlin) will continue to be permitted and encouraged to be worn in place of the red school uniform on selected Fridays (see below) during Term 4. Please note, all other uniform expectations remain in place. The intent behind the trial is to build identity, pride, and spirit in our vertical pastoral care house system, whilst at the same time increasing the visibility and usage of House Shirts.

House Spirit Fridays – Term 4 Dates:

- | | | |
|-----------------------------------|---|---|
| • Week 1 Friday 14 October | - | House Spirit Friday (House Shirt encouraged) |
| • Week 2 Friday 21 October | - | Founder's Day Mass at St Paul's – Red Polo Shirt |
| • Week 3 Friday 28 October | - | House Spirit Friday (House Shirt encouraged) (Year 12s last day – Senior Shirt) |
| • Week 4 Friday 4 November | - | House Spirit Friday (House Shirt encouraged) |
| • Week 5 Friday 11 November | - | House Spirit Friday (House Shirt encouraged) |
| • Week 6 Friday 18 November | - | House Spirit Friday (House Shirt encouraged) |
| • Week 7 Friday 25 November | - | House Spirit Friday (House Shirt encouraged) |
| • Week 8 Friday 2 December | - | House Spirit Friday (House Shirt encouraged) |
| • Week 9 Friday 9 December | - | House Spirit Friday (House Shirt encouraged) |
| • Week 10 Friday 16 December | - | Student Free Day |

All students and staff are encouraged to embrace House Spirit Fridays and wear their House Shirt on the identified Fridays across Term 4. A reminder that all uniform items can be purchased from the Cricket and Football Shop, Stuart Highway Winnellie.

I can be contacted at 08 8982 2222 or at Cameron.Hughes@nt.catholic.edu.au should you have any questions.

Fortes in Fide,

Principal

FROM THE ASSISTANT PRINCIPAL: TEACHING AND LEARNING

Dear Members of the St John's Catholic College Community,

Interim Reports

In Semester 1 the College implemented a new software package for reporting called Accelerus. This resulted in a more contemporary and visual report. Accelerus will also be used for our Interim Reports.

The College is in the process of setting up Accelerus to email reports to parents/guardians. As such, our Interim reports will be mailed out this term.

Please ensure that your email address is up to date with our College Administration team prior to Week 4 in Term 4 to receive your Semester reports via email.

As with the Semester Reports we will include a report guide to aid in reading your son/daughter's report.

We will continue to refine the format of the reports provided. In the future we hope to include a graph illustrating your child's achievement in relation to the their class and EALD phases for in Accelerus.

Year 12 Students

Year 12 students should now be close to completing their Stage 2 courses.

A reminder to Year 12 students that all coursework for your subjects will be completed by Friday Week 10 Term 3. All school-based assessment should be completed by this date. The first version of the SACE Exam timetable is now available; however, is subject to change and does not yet include the languages oral and written exams.

Students are required to achieve a 'C-' or better in 3 subjects (60 credits) at Stage 2 in order to qualify for the NTCET. This is in conjunction with the 140 credits at a 'C' grade or better at a Stage 1 or 2 level and the successful completion of the compulsory subjects (PLP, 2 x literacy, 1 x numeracy units).

To achieve an ATAR (university entrance score), students are required to undertake 90 credits worth of Stage 2 subjects.

StudentsOnline – SACE Results portal for students

Year 12 students must log into StudentsOnline, the SACE results portal for students, in order to access their results and ATAR at the end of the year. Students must log into the portal and ensure that they have ticked 'yes' to the sharing preferences. By not doing this, you may restrict your result access, which may include not generating an ATAR as you have not ticked 'yes' to sharing with SATAC.

Edmodo – ceases service 22 September 2022

As many of you would be aware, a notification has appeared on Edmodo stating that Edmodo will cease service effective on the 22 September 2022.

There was no previous communication regarding this, and the College is working to transition to a new platform. The College had been exploring Google Workspace for Education prior to the announcement from Edmodo, we will now accelerate our plans to move to this platform.

Google Workspace for Education will provide teachers and students with access to a wider range of resources and works in the same manner as Edmodo.

Google Workspace – Google Classroom

Our staff have begun using Google Classroom with classes over the last few weeks. Students should be submitting their tasks and accessing class material through Google Classroom from now on. Students will be using Google apps such as Docs, Slides, Jamboard etc in classes which are supported through Google Classroom. A plagiarism checker is also integrated into Google Classroom.

We will begin adding parents/guardians to classrooms in Term 4. Parents/Guardians can set how often a summary of work will be received for each class through email. More information will be provided in Term 4.

FROM THE ASSISTANT PRINCIPAL: RELIGIOUS EDUCATION

Dear Members of the St John's Catholic College Community,

Prayer

During the past term Middle School Religion Classes have been studying a unit on Prayer and Sacramentality. The learning intention for this unit involved what is prayer and the differing ways in which we can pray.

Students in one session began by preparing a prayer chain which was made from paper strips connected together to form a lengthy intersessional chain of prayers. By the end of the session students had formed a chain 15 meters long! In reading these prayers some were dedicated to family, others to Ukraine and some for our Year 12 students praying for their strength in the final weeks of secondary schooling.

Another aspect of the prayer was to re-visit a well-known Bible Passage and re-enact it focussing on the key message of that passage. The enthusiasm in which students embraced this activity was infectious. One could not help but be drawn into the excitement of this activity and, of course the drama production.

At the end of the lesson students used a form of prayer called the Examen. The Examen is a technique of prayerful reflection on the events of the day in order to detect God's presence and discern his direction for us. The Examen is an ancient practice in the Church that can help us see God's hand at work in our whole experience. This form of prayer brought the students back from the excitement of the previous activities to a quiet and calm state. Students were encouraged to use this form of meditation daily as part of recognising that God is present with us each day.

Boarders' Masses

Our Boarders this term attended Mass each weekend in various locations across Darwin. One Mass of significance this term was at St Mary's Star of the Sea War Memorial Cathedral for the celebration of the 60th Anniversary of its opening and blessing and the 50th Anniversary of its Consecration. Over these years the Cathedral has been a place of welcome for St John's Community. This Mass like all masses was enriched by the presence of all our Boarders, Student Leaders and Staff.

During the Mass we learned more about the history of the Cathedral and how it had been rebuilt three times following the Bombing of Darwin and a Cyclone. The Cathedral doors are always open for us and we feel welcomed each time celebrate mass there.

Bishop Charles reminded us though that the Cathedral itself, impressive and modern as it is, is just a building. The people that attend and celebrate mass are the people that make the Catholic community of Darwin what it is today.

Stage One Spirituality Religion and Meaning revisited The Cathedral a week later to celebrate the Feast Day of St Mary with St Mary's Catholic Primary School. In that celebration we learned more about the Cathedral and the significance of the artwork around the Cathedral. One piece resonated with us was in the image of the 14th station of the cross. This Stations of the Cross mosaic commemorates Father William Michael Henschke and were unveiled on the golden jubilee of his priesthood in 1964.

Father Henschke was born in South Australia in 1889, and was ordained in St. Mary's Cathedral, Sydney, in 1914, and came to the Northern Territory in 1915. He was attached to the Cathedral Parish of Darwin continuously from 1922 until shortly before his death on 9th November, 1972. Henschke is of course the name of the main campus at St John's Catholic College.

May God bless you all.

Assistant Principal Religious Education

FROM THE ASSISTANT PRINCIPAL: ADMINISTRATION

Dear Members of the St John's Catholic College Community

Year 9 Formation Day

Thank you to Mr. Simon, Pastoral Care and Well-being Co-ordinator for organising Year 9 Formation Day. Thank you to staff who supported in running the activities.

Competitions

Well done to all students who participated in the AMC competition. Thank you to Mr Sun for organising the Australian Mathematics Competition.

Thank you to all staff for their support in running the Cross Country. All students participated well for cross country. Big cheers to Fr. Adam one of the top five runners. Thank you to Mr Smith for the preparations and organising the Cross Country.

Daley House Spirit Day

Excellent celebration by Daley team. Participation from students and staff was fantastic. Congratulations to Daley team for a spirited celebration.

Parent-Teacher Interviews

Thank you to parents who attended the interviews. Parents who were unable to attend due to work and other commitments can contact teachers to know your child's progress in a subject. Please note that teachers may not be available during lesson time.

Subject Selection

Students had the opportunity to change electives by the end of Friday in Week 2. Junior and Senior school class lists are published, and further changes will not occur for the semester.

Vaping

The College continues to take the issue of vaping very seriously and has adopted a two-pronged approach to dealing with this issue, health awareness and firm consequences. The College will again coordinate an information session to be delivered by health professionals regarding the health impacts of vaping. With regards to firm consequences, just like smoking cigarettes, any student caught in possession, using or supplying vapes or vaping paraphernalia will receive an external suspension. Ongoing issues regarding possession, use or supply will result in a review of enrolment.

Attendance

The College expects students to maintain attendance rate of 95%+ throughout the year. Parents / Guardians are requested to notify Lisa Di Donato, Student Services in the event of student absence. Lisa can be contacted on 08 8982 2222 or via Admin.stjohns@nt.catholic.edu.au.

Parents / Guardians are notified via SMS/phone call for students who are marked absent for Homeroom or do not sign in late. Students who meet the college attendance expectations of 95%+ or more are awarded certificates each Term. Absence from Homeroom and other class will impact the percentage of attendance.

Key Dates – Term 3, 2022

- Week 5: Friday 19 Aug – Year 9 Formation Day
- Week 5: Thursday – Friday 18-19 Aug – Year 10 Retreat
- Week 6: Friday 26 Aug – Formal Assembly – Cum Laude awards
- Week 8: Wednesday 7 Sep – 2023 student Leadership voting
- Week 9: Monday – Friday 12 – 16 Sep Stage 2 Trial exam
- Week 10: Friday 23 Sep Last day of Term 3.

Term Dates:

- Term 3 (10 weeks): Tuesday 20 July – Friday 24 September
- Term Break (2 weeks): Monday 27 September – Friday 8 October
- Term 4 (10 weeks): Monday 11 October – Thursday 16 December

Targeted Placement:

Targeted Placement occurs in Years 7-9 in the following subject areas: Religious Education, English, Mathematics, Science, HPE, History and Geography, and Year 10 Mathematics. Targeted Placement refers to the grouping of students in classes based on academic levels to best cater for their learning needs. Targeted Placement provides the opportunity for students to receive support and/or extension depending on their progress in each subject area. Targeted Placement decisions are informed by a range of data collected through: NAPLAN, standardised tests, school assessment and other relevant pastoral considerations.

Please note class placement is reviewed at the end of every term. For more information, please contact the Assistant Principal for Teaching and Learning at:

Cherilyn.Hughes@nt.catholic.edu.au

Core Expectations – Stay Safe, Respect Everyone & Learn Everyday:

Homeroom Teachers and Heads of House continue to reinforce our expectations in building and maintaining a safe, respectful learning community that is focused on our Catholic Identity and Learning. Core expectations:

- Stay Safe
- Respect Everyone
- Learn Everyday

Counsellors:

The College provides access to Catholic Care Counsellors. This service is available through the health Centre.

FROM THE DIRECTOR OF BOARDING

Dear St John's Catholic College Community,

In creating a culture of safety within our Boarding House, some of the factors that we consider and emulate in our practice, are below, taken from the National Principles of Child Safe Organisations 2021.

In summary, a child safe organisation is one that actively:

- Creates an environment where children's safety and wellbeing are the centre of the organisation's inspiration, values and actions
- Places emphasis on genuine engagement with and valuing of children
- Creates conditions that reduce the likelihood of harm to children
- Creates conditions that increase the likelihood of identifying any harm
- Responds to any concerns, disclosures, allegations or suspicions
- Creates child-friendly mechanisms for a child's voice to be heard

We recently started a process to open up structured conversations about how our students are doing and to find out what are the things that matter to them right now. The process is called Circle Time, we hold this meeting in each of our dorm areas and it is facilitated by houseparents on shift.

We seek to engage our students in conversations, and create structures which give them a voice in matters that affect them. We also conduct student surveys twice a term for this purpose. The surveys are collected and the information tracked to see how our students are going and to pick up and address any problems that they might be facing.

The key focus for the circle time is;

- **Check In** – How are we doing, as a group and as individuals? It is about us checking in with the students to identify any red flags but also teaches our students to be aware of how others may be feeling from week to week. It ingrains empathy and care for others.
- **Give students an opportunity to speak about matters that affect them** – It is important that we have structures in place to allow students to be heard about things that matter to them. We have student feedback forms, but this will be an additional method we can use. It can be little things to discuss about food, activities, their rooms, dorms, staff, other students etc.
- **Allows us to listen and respond** - It is important that we give students a platform to discuss thoughts and ideas and that we listen and act on these requests, as long as they are reasonable. If we show support and act on reasonable requests, the students will be happier and want to let us know when things are not working.
- **Give us an opportunity to clarify expectations** - These discussions will allow us to clarify and explain the reasons why we do things. To continually clarify expectations allows everyone to have a better understanding of what is expected and why. This gives our students a greater chance of meeting the expectations if they can understand why they are there.

Kind Regards

Scott Mannion

FROM THE PASTORAL CARE AND WELLBEING COORDINATOR

Dear Members of the St John's Catholic College Community,

On Friday, 19th August Year 9 students and some staff were involved in a Formation Day at the college. During the morning session students and staff were involved in several activities which were well participated in. It was a pleasure to literally witness students from the various streams getting to know each other.

This created a positive environment and facilitated some amazing bonds.

After recess students were then bussed to the Wave Pool.

Over all it was a great opportunity and a day of bonding and new beginnings. I would like to thank Ms Anthony, Mr Nheu and Mr Smith without whose help and support this memorable day would not have been possible.

On 16th September, we had our annual Spelling Bee House Cup. The week prior went in preparation, whereby spelling words were provided to all homerooms. Towards the end of the week, houses Burford, Daley and O'Loughlin were represented by 6 enthusiastic spellers.

The competition also introduced an extra round, the Anagram round. Staff and students enjoyed this round thoroughly with some guessing the word. It was exciting to see the fervour and zeal each team put in. Overall Daley House were declared the champions and were awarded a pizza lunch as a reward.

I would like to thank all our Homeroom teachers who are doing an excellent job of managing and keeping their students engaged during homeroom. I would also like to thank St. John's Catholic College Community for their encouragement. It is indeed a place, "Strong in Faith and Strong Together".

Kind regards

FROM THE ACTING SPORTS COORDINATOR

Dear Members of the St John's Catholic College Community,

Touch-Rugby Gala Day

On Friday 2nd September, our students attended the Touch Rugby Gala Day held at the Territory Rugby League Grounds, Marrara. We had a Senior Mixed team and also Middle School boys and girl's teams.

Our teams showed a lot of heart and courage as they came up against some tough SEDA, O'Loughlin, Darwin Middle, Sanderson and Dripstone teams.

Although the results were not in our favour, our teams demonstrated great sportsmanship and were able to connect and build stronger relationships with each other.

Thank you to Ms. Hannah Roll and the team Darwin School Sport for having us and also Mr. Levi who drove us to and from our venue and looked after us for the day.

Go Eagles!

GOOD NEWS STORIES

O'Loughlin House Spirit Day

Friday the 9th of September was the best day on the school calendar - O'Loughlin House Spirit Day!

On this day the school was turned purple and was decorated with the symbols of O'Loughlin House - the Heart and the Bidjipidji (Dragonfly).

Students in O'Loughlin homerooms were busy throughout the week drawing and creating many purple hearts and Dragonflies.

The symbols of O'Loughlin House - Heart and DragonFly - remind us to show kindness, love and compassion for one another. O'Loughlin House Spirit Day was full of students showing compassion and random acts of kindness - demonstrating the O'Loughlin Spirit!

O'Loughlin House provided morning tea for the entire school - purple pancakes! With many different toppings, cooked and served by O'Loughlin students - with the help of Mrs. Ann Tan, Mrs. Nielsen and Mr. Levi.

A very tasty sausage sizzle lunch was also provided by O'Loughlin students Janeth Msafiri and Justin Deu - with the help of Mr. Bryant.

There were three super fun activities run by O'Loughlin teacher's during assembly time: Mr. Savage's DodgeBall, Mrs. Nielsen's Egyptians and Mr. Sung's Rock-Paper-Scissors Battle Royale. Students won some tasty prizes and bragging rights over other house (O'Loughlin House won the DodgeBall!!).

Congratulations to Hayden Jansz - the lucky winner of the Mr. Friis' Heads/Tails Extravaganza involving the whole school! Hayden chose a big box of chocolates over the MYSTERY BOX - which contained a purple collieflower - great choice Hayden!

O'Loughlin House would like to acknowledge the help of the student volunteers that helped decorate and serve food. Special thank you to Mr. Levi Aldenhoven, Mrs. Ann Tan and Mrs. Nielsen who organised and helped significantly throughout the day.

GO O'LOUGHLIN !

Congratulations to Shanika Bukulatjpi and Charles Aidoo for successfully completing the Stage 2 Materials - Wood Focus course, and thank you to Jesse Young for your support in the class during the year. Mr Carlo Di Donato (Design Technologies Teacher)

FROM THE SACE COORDINATOR

Dear Members of the St John's Catholic College Community

Science Week

We celebrated National Science Week this term with our popular Amazing Science Race and Engineering Challenge. Middle-school students race against time to solve a series of six STEM challenges, including extracting DNA, Math Escape Room, and building a light bulb.

Senior students built a tower using limited amount of Monopoly® money as a way to stretch their critical thinking, creativity and financial decisions. Students had lots of fun competing against each other. Look at those big smiles!

A big thank you to Ms. Melissa Nielsen, Ms. Keshiya Anthony, Ms. Ayesha Fatima, Mr. Alexander Savage, Mr. Hasan Talukder, Mr. Victor Sun, Mr. Jay Sung, Mr. Ram Jayana, and Mr. Allen Wang for the planning and time that went into the event.

Dragonfly Festival

What a wonderful way to end Week 7 with Dragonfly Festival!

A community event where parents, students and staff came together for performances and food, the Festival had indeed brought lots of joy and perhaps some reliefs to what a stressful term for all. Alongside Dragonfly Festival, we also had a MasterChef Competition running concurrently and guests were served all the delicious creations of our students.

Congratulations to Allynna Batnag and Shiva Heydarpour who took home the title of Best Performers that night, and to Janeth Msafiri and Leon Salumu Ndamusungu who won the MasterChef Competition.

A big shout out to Ms. Shinead Love, Ms. Bronwyn Graham, Mr. Benjamin Friis, and Mr. Hasan Talukder for organizing the event. Thank you, Mr. Richard Bryant and Mr. Andre Simon, for serving the Congratulations to Shanika and Charles for successfully completing the Stage 2 Materials - Wood Focus course, and thank you to Jesse Young for your support in the class during the year. Ten students represented St John's Catholic College at the 77th Anniversary of Indonesian Independence Day on the 17th August.

Ester Nirigi, as the youngest member of the Indonesian community, was given the honour of receiving the Nasi Tumpeng from the Honourable Consul of the Republic of Indonesia to the Northern Territory Mr Gulfan Afero and his wife Mrs. Oeke Gumiarni.

Nasi Tumpeng is a celebration dish and the cone-shaped tumpeng is a mystic symbol of life and ecosystems. It symbolises the glory of God as the Creator of nature, and the side dishes and vegetables represent the life and harmony of nature.

Our school will be involved in B Part of It NT, a study of the meningococcal B vaccine. The licenced vaccine is safe and proven to protect against meningococcal B disease, a rare but severe disease.

The study nurses will visit schools across Northern Territory in 2022 to offer free Meningococcal B vaccination to students in years 9,10, 11 and 12.

If you child joined the study in 2021, you don't need to sign another consent for them this year.

Please read the information contained in the online information sheet and consent form <https://is.gd/BPartofItNT>. If you want your child to join the study, please fill in the student's details and sign the online consent form.

If you want to find out more information about the study please contact the study co-ordinator at: MeningococcalB.Study@nt.gov.au or call 0476 599 247. You can also ask for a hard copy of the information and consent form if you prefer to fill it out on paper.

Dear Parent / Carer

The Northern Territory Government is supporting every child enrolled in an urban school, from transition to year 12, to be healthy, active and social through the Sport Voucher Scheme.

We as Territorians, love our sport and active lifestyles. The Territory has so many sports, as well as recreational and cultural activities available for children and young people to be active. We also know that participating in these can come at a cost to Territory families.

Under the Northern Territory Government's Sport Voucher Scheme, every child enrolled in an urban school, from transition to year 12, is entitled to a \$100 Sport Voucher every six months at the commencement of each school semester.

As a parent of school aged children I am pleased to announce you can now receive your child's Semester two, 2022 Sport Voucher electronically by registering and applying at www.grantsnt.nt.gov.au.

Families who are unable to access the internet at home can request assistance by contacting the preferred activity provider, using free internet services at a public library, asking for assistance from your child's school or by contacting Sport and Recreation by email sport.voucher@nt.gov.au or telephone 1800 817 860.

To apply for your child's Sport Voucher and see the list of registered providers please visit www.grantsnt.nt.gov.au.
