Dear Members of the St John's Catholic College Community,

### New Director of Catholic Education Northern Territory:

The Most Reverend Charles Gauci, Bishop of the Diocese of Darwin has announced the appointment of Mr Paul Greaves as the new Director of Catholic Education Northern Territory (CENT) commencing January 2023. Please see Bishop Charles' Circular dated 17 October 2022 (supplied) for further information.

We look forward to welcoming Mr Greaves to St John's and CENT in the new year. Mr Greaves will take over from Mr Greg O'Mullane who retires after 40 plus years of outstanding service to CENT. Mr O'Mullane commenced his teaching career in the Northern Territory at St John's in 1980, was Principal of O'Loughlin Catholic College and more recently served as a Deputy Director and Director of CENT.

### National Catholic Education Commission visit:

Ms Sally Egan, Acting Director of the National Catholic Education Commission, visited St John's Catholic College during Week 1 of Term 4. Ms Egan spent the afternoon visiting classes and meeting with students and teachers.

### Student Leaders:

In the back end of Term 3, nine courageous young men and women of St John's nominated themselves for positions of leadership. After a series of speeches, the Northern Territory Electoral Commission conducted a preferential voting ballot to determine the Student Leadership Team for 2023. The team will be joined by the Residential Leaders and the Student Representative Committee at the beginning of next year. This year, the process was brought forward to allow a fuller handover from the 2022 Student Leadership Team to the 2023 Student Leadership Team.

## Unity in Diversity project:

We acknowledge the many people, heritages, languages, cultures and customs of members of our community from all over the world. We are blessed by our rich cultural diversity. Whilst acknowledging our diversity we also acknowledge our Catholic values, ethos and traditions that unite our community. In celebration of our diversity, this year the College partnered with an Aboriginal artist from DeSigna to create an Aboriginal art inspired image representative of our culturally diverse community. Students and Staff were asked the following questions:

- What is your cultural heritage?
- What symbol best represents the St John's Catholic College community?
- What values best represent the St John's Catholic College community?
- What's the best thing about being part of the St John's Catholic College community?

RE: House Spirit Fridays – Term 4, 2022

Dear Members of the St John's Catholic College Community,

One of our strategic goals as part of our Annual School Improvement Plan (ASIP) is to further develop our College and House identity, pride and spirit. In recent years, the College has: renewed the college uniform, designed a sports logo, introduced a sports uniform and placed key signage around the grounds. In 2023, our house shirts will be renewed in line with college uniform (see below).

During Term 2, the College trialed the wearing of House Shirts on selected Fridays. Given the overwhelming success of this trial, House Spirit Fridays has been extended into Semester 2, with a view to instituting House Spirit Fridays as a regular part of the College structure and uniform expectations.

Therefore, House Shirts (Daley, Burford, and O'Loughlin) will continue to be permitted and encouraged to be worn in place of the red school uniform **on selected Fridays (see below) during Term 4**. Please note, all other uniform expectations remain in place. The intent behind the trial is to build identity, pride, and spirit in our vertical pastoral care house system, whilst at the same time increasing the visibility and usage of House Shirts.

## FROM THE ASSISTANT PRINCIPAL: RELIGIOUS EDUCATION

Dear Members of the St John's Catholic College Community,

As part of our adoption of Care for Creation (College theme for 2022) we have embarked on a Term-by-Term programme that embraced at least one of the goals of Laudato Si.

Ecological Education was Term Three's focus and vegetable garden beds were made by staff during our Catholic Identity Day and used to plant a variety of vegetables that are being used by the Food Technology department or taken home by students. This project has taught students the value of growing their own food. Students have learned that organic gardening helps to reduce mass agricultural production, which is responsible for 25 per cent of greenhouse gases. It also absorbs more carbon from the atmosphere into your own backyard.

This Term is the Community Engagement goal which is achieved through the Year 10 service programme. This programme will send students out to a variety of differing placements include Henbury College, St Vincent de Paul locations across Darwin and House 49 – a homeless shelter in Darwin. The idea behind this is allow our students the opportunity to give with their hands rather than their pockets and ensure that gain a sense of passion for those who are less fortunate than ourselves.

Our Founder's Day Mass was held on October the 21st at St Paul's Parish Church. This mass is not only dedicated to our founder, Fr Jules Chevalier MSC but, we also remember former student Hanna Wosiri who passed away 4 years ago. We were joined in this celebration by the student leaders from St Paul's Catholic Primary School. Fr John Kelliher MSC was our celebrant, and he gave us an insight into who Chevalier was and his struggles to restore vitality of faith in rural France that led to the global spread of MSC priests. We remembered the many other MSC schools across Australia and through out the mass we were reminded of the bigger MSC family we belong to.

May God bless you all.

Assistant Principal Religious Education

## FROM THE DIRECTOR OF BOARDING

Dear St John's Catholic College Community,

This Semester we have been trialling a positive feedback initiative for our Boarding Students. When a student does something exceptional, above and beyond the normal expectations of the College, a staff member will nominate them for a **GOLDEN TICKET!!**

The aim is for students to get three Golden Tickets across the Semester to win a valuable prize.

I am pleased to say that we have had a number of tickets handed out this Semester and just this week we have had our first two students come to me with the magical three tickets to collect their prizes.

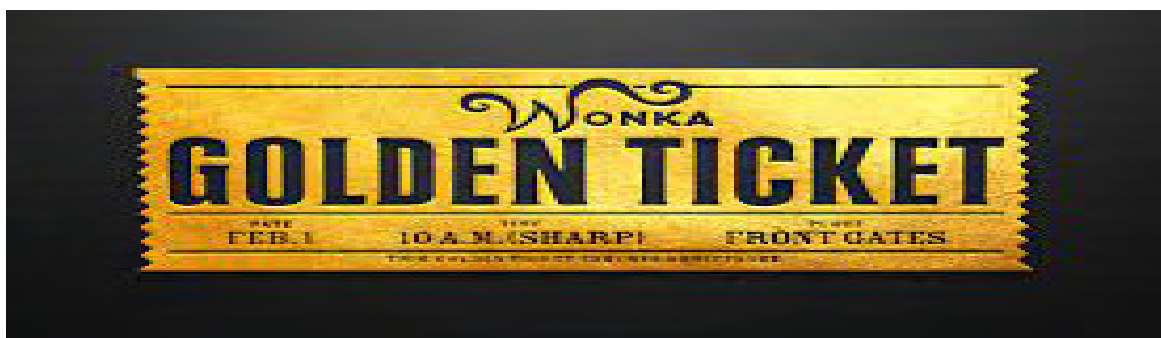

Both Katie Austral and Tyrell Lindsay received tickets for outstanding achievements in school and at boarding. Katie has been a consistent support for others in the boarding house and completed her VET Certificate in Automotive this term. Tyrell has performed in front of audiences at our Dragonfly Festival, and performed cultural dances at major events. He also represented a youth voice group at an educational leader's conference this week at the Convention Centre.

Both students have shown growth above and beyond normal expectations and we are very proud of their achievements. A number of other students getting tickets have also shown this type of behaviour and we are really proud of the group and their aspirations to improve.

We still have a few weeks to go and there are still prizes up for grabs.

Kind Regards

Scott Mannion  
Director of Boarding

## FROM THE PASTORAL CARE AND WELLBEING COORDINATOR

Dear Members of the St John's Catholic College Community,

On Friday, 28th October Year 12 students signed off from school ready to prepare for examinations. It was a day of mixed emotions as some staff had been involved in many years of association with this graduating batch. Students too were pretty teary as it finally hit them that their routine of many years had finally come to a close.

The morning began with a sumptuous breakfast of eggs, bacon, sausages, salad and fruits. Staff and students mingled about while some swayed to the beat of thumping music by Mr Friis. Students from other grades too joined in the fun and enjoyed the breakfast.

Homeroom saw a video being played of the Class of 2022. The bitter-sweet atmosphere saw year 12s having their school shirts autographed by students of various year levels. It was great to see the level of comradery in each Homeroom.

Assembly time drew in the whole school who were waiting eagerly to cheer either side in a friendly Dodge Ball match between the graduating class and staff. Mr Friis provide some great commentary during the event with some wise quips now and then. The match tendered towards a nail biting finish with the score at 2 each, and finally the students pipping the staff in the dying moments.

All in all it was a great to see the mood of the College. Finally the students formed a human tunnel through which the College farewelled the graduating class of 2022.

The 11th November Remembrance Day coincided with our Public Speaking competition which saw our students excelling in delivery, intonation and projection. The piece they had to recite was the famous Walt Whitman poem O'Captain! My Captain! Our students did their mentors proud with retention, rendition and delivery of the piece.

Our winners were 1st Catrina Meldrum from Burford House, 2nd Alifah Mahmood from Daley House and 3rd Harjarrp Singh from Burford House. Congratulations to all participants

We began the assembly with Welcome to Country, Prayer and the Last Post playing in the background. Students were respectful and reverent during the entire assembly.

I would like to thank our Homeroom teachers and staff who relentlessly make time for students whenever they require help.

God bless our staff, students and school officers. St John's is the place to be!

Kind regards

Andre Simon  
Pastoral Care & Wellbeing Coordinator

## FROM THE ACTING SPORTS COORDINATOR

Dear Members of the St John's Catholic College Community,

### Beach Volleyball

On Wednesday 21st September (Week 9) our school was involved in the annual Beach Volleyball Gala Day held at the Darwin Indoor Beach Volleyball Centre at Winnellie.

This year we entered four teams (two boys and two girl's teams) that were coached by Mr. Friis, Mr. Wang, Mr Young Mr. Levi and myself.

Throughout the day our teams played games against O'Loughlin, Sanderson, Nightcliff and Darwin Middle Schools.

Special mention to our St John's 3 Girls team made up of Allynna Batnag, Shiva Heydar-pour, Hannah Thomas, Madeline MacDonald, Lavaigne Elambo and Evdokia Magkos who only dropped one game the whole day and finished second overall in their category. A massive thank you to all staff and students involved.

### Melbourne United Basketball Visit

On Tuesday 20th September, we had a special visit from the NBL Team Melbourne United as a part of their pre-season NBL Blitz tournament that took place here in Darwin. Our middle school students were lucky enough to participate in a training session run by the players and coaching staff.

Students were taught different skills such as passing, dribbling and shooting. At the end of the session the players stuck around, signed autographs and took photos with our students which our students loved and appreciated.

A massive thanks must go to Dan from Basketball NT for organising the event and finally to Dan Vickerman, Chris Goulding and all the Melbourne United team, thank you for taking the time to visit our school and passing on some of your knowledge to our students. All the best for the upcoming season!

Go Eagles!

Regards

Zane Smith  
Acting Sports Coordinator

# GOOD NEWS STORIES

This week Ms.Love's middle school art class were very busy completing their final artworks.

The students studied a range of movements including Fauvism, Impressionism and Cubism. Students used these movements to inspire an artwork around the theme identity. Once students finish their works they will complete their assessment with a reflection on the process of creating the artwork and any challenges they have overcome in the process. Good work middle school art.

The purpose of this survey is to increase our understanding of what Darwin's young artists need to reach their goals, what obstacles are preventing these goals from being achieved, and what is missing for young artists in Darwin.

By completing this survey you are also entering into a competition for a chance to win a \$100 gift card from Jackson's Drawing Supplies.

# GET FIT. GET PAID. HAVE FUN.

# UMPIRE NTFL

AFLNT are recruiting field, boundary and goal umpires ahead of the 2022-23 TIO NTFL season.

AFL umpiring is a great opportunity for young people aged 12 and above to get fit, get paid, make friends and develop life skills such as leadership, communication and decision-making.

## FAQs

### What do umpires get paid?

Umpiring is often more lucrative for young people than working at a fast food outlet. Field umpires are paid close to \$50 for a one-hour Under 12s game and over \$200 for a Men's Premier League game. Umpires often run multiple games each week and can earn close to \$5,000 for the season.

### When is umpire training and do I have to attend?

Training for NTFL umpires is held at TIO Stadium, from 5:30pm every Tuesday and Thursday throughout the season.

We understand that many young people have other sporting commitments that contribute to their fitness and may prevent them from attending. We generally expect umpires to attend at least one training session per fortnight.

### Can I still play football and umpire?

Umpiring can benefit your football or other sporting pursuits by contributing to your fitness and understanding of the game. We can work with your schedule to balance both commitments.

### What days or grades will I be required to umpire?

NTFL games are played across all days of the week aside from Tuesdays and Thursdays. Umpires can nominate their availability and will receive training and support until they are comfortable at the level they wish to umpire.

### Do I need to buy anything before I start?

Umpires will be required to provide their own whistle. Uniform and registration is free!
