## Multiple Student Discount:

Domestic families are entitled to a discount off the tuition component (only), if more than one student from the same family attends any Catholic School across the Northern Territory. It is the responsibility of the family to inform the Finance Officer at time of enrolment. The discount will be applied in the following manner to ensure all schools share the cost of the discount:

- First and eldest child - full tuition fee
- Second child - 5% off each child's tuition fee
- Third child - 10% off each child's tuition fee
- Fourth and subsequent children - 33% off each child's tuition fee

## Financial Hardship Concessions:

Families requesting a financial hardship concession need to contact the Finance Manager and submit an application. Financial hardship concessions are available to families at the discretion of the Principal. Financial hardship concessions are provided for one year, and are reviewed in subsequent years. Documentation is required to support all financial hardship concessions.

## International Student Enrolment Application Fee (International Students Only):

- International Student Enrolment Application Fee - \$250.00

## Student Withdrawal and Refund:

A term notice in writing must be given to the Finance Officer before a student is withdrawn from the College. Failure to provide the notice period will result in fees being charged for the period by which the notice falls short of a term (1 term = 10 weeks). Notice period waived for Defence Families relocating due to postings.
