

St Mary's College Toowoomba

Forming young men of faith, integrity, action and excellence

26 November 2025

Dear Parents/Carers,

RE: FEE LETTER 2026

Please see the attached Fee Schedule, the Direct Debit Form, and the Credit Card Form for 2026.

Also attached is a 2026 Fee Calculator that can be used as a guide for fee calculation purposes.

If you already have a Direct Debit in place you will need to contact the Finance Team to recalculate your payments appropriately for the new fees.

In 2026, the fees will be billed quarterly at the start of each term and the tuition fees include the applicable year group camps, class excursions, reflection days, leadership camps, Book Hire levy, Music levy (Years 5 & 6), Subject levy (Years 5 – 10). The fees will be due within two weeks of receiving the invoice unless you have an approved payment plan in place with the College. Payments can be made according to your preference, e.g. weekly, fortnightly, monthly, by term, or take advantage of the 5% discount on full upfront payments by 20 February 2026 (tuition portion only).

It is a requirement that school accounts are up to date (fully paid or payment plan) in order for students to participate in paid extra-curricular trips.

Please refer to the attached 2026 Schedule of Fees particularly the **School Fees Billing Process** on page 3 to ensure understanding of your responsibilities.

For any queries, please email accounts@stmaryscollege.com

Kind regards,

Brendan Stewart
College Principal

Patrick Wilson
Business Manager
