DIRECTOR OF CO-CURRICULUM

Sport is an integral feature in the life of our Townsville Grammar School community. Whether as players or spectators, students across our three Campuses are involved in an extensive range of co-curricular sports, proudly representing and cheering on the black and gold.

Sport at Townsville Grammar School is much more than a physical activity. It is a means through which students develop endurance and strength of character. Through being a part of a team, or in individual endeavour, students learn about commitment and responsibility - to get up and show up, even when the going gets tough. We refer to this as our Grammar Grit.

On the fields, on the courts, in the pool and on the river, our students proudly wear the black and gold and experience the joy of teamwork and the passion of School spirit, creating memories that will last a lifetime and stories to enjoy as they become Past Grammarians.

To play sport at Townsville Grammar School is a fantastic opportunity to develop talents, to be a part of a team and to learn about humility - the ability to show grace in accepting defeat, and to be humble and generous in the joy of the win. These virtues translate into all areas of life and are important skills in becoming responsible and contributing adults.

We are very proud of our Sports Program at Townsville Grammar School and look forward to another spirited year as we fly the black and gold.

TOWNSVILLE GRAMMAR SCHOOL SPORT CHARTER

At Townsville Grammar School we believe that physical activity is important to the personal development and wellbeing of young people.

We believe:

- Participation and competition in Sport helps to foster and develop personal growth and a healthy balanced life-style
- A sporting culture where personal achievement and team performances are valued and recognised is important
- Personal best performance in Sport can only be achieved through dedication and perseverance
- Sportsmanship reflects 'strength of character' and is a highly valued personal trait
- Students must accept responsibility for their decisions and performance on the 'field of play'
- Boys and girls deserve equitable opportunities to participate in sport
- Pride in our sporting uniforms plays an important part in creating a sense of belonging at TGS.
- Committed coaches and officials play a pivotal role in the management of an optimal sporting program
- Effective communication with all our stakeholders will enhance our sporting program
- Healthy competition is provided where our students have the opportunity to win, but not at 'all costs'
