SPORT CHARTER

At Townsville Grammar School we believe that physical activity is important to the personal development and wellbeing of young people.

We believe:

- Participation and competition in Sport helps to foster and develop personal growth and a healthy balanced life-style.
- A sporting culture where personal achievement and team performances are valued and recognised is important
- Personal best performance in Sport can only be achieved through dedication and perseverance.
- Sportsmanship reflects 'strength of character' and is a highly valued personal trait.
- Students must accept responsibility for their decisions and performance on the 'field of play'.
- Boys and girls deserve equitable opportunities to participate in sport.
- Pride in our sporting uniforms plays an important part in creating a sense of belonging at TGS.
- Committed coaches and officials play a pivotal role in the management of an optimal sporting program.
- Effective communication with all our stakeholders will enhance our sporting program.
- Healthy competition is provided where our students have the opportunity to win, but not at 'all costs'.
