

TOWNSVILLE GRAMMAR SCHOOL

15 January 2026

2026 Term 1 Co-Curricular Activities

Dear Parents,

Our extensive North Ward Co-Curricular Program for 2026 is set to begin in the coming weeks, with some activities commencing as early as Week 2. Directors, Co-ordinators and Coaches will be holding meetings early in the term to share information and confirm student interest across a wide range of activities.

The Co-Curricular Expo will be held for students only on Friday, 30 January 2026, providing students with the opportunity to explore the many Co-Curricular options available at the School. Following the Expo, parents will be emailed details of the activities their child has selected, including program information and instructions for signing up via Parent Lounge.

In the meantime, families are encouraged to view the [Co-Curricular Calendar](#) online; *North Ward Co-Curricular Calendar - Term 1* and begin discussing potential activities with their child. Students are not restricted to the activities selected at the Expo and may choose to sign up for any activity available to their year level or age group, either before or after the Expo.

If you would like further information about a specific activity, please log on to Parent Lounge and the individual activities will have additional information attached or you can contact the relevant staff member leading the program in the first instance. Alternatively, the [Director of Performing Arts](#) or the [Director of Sports and Activities](#) can assist with any general enquiries.

Once you have decided which Co-Curricular activity your child would like to participate in, please log in to Parent Lounge to complete the sign-up process. Most Activities will be available on Parent Lounge starting **Tuesday, 20 January**.

Important: Please ensure you click the green **Submit to School** button to finalise the registration. If an activity is showing as Pending, the sign-up process has not been completed. Once **Submit to School** has been selected, you will then be prompted to make payment if payment is required.

Some activities require students to participate in trials before registration is available. These activities will not appear in Parent Lounge until trials are completed and selected students have been notified. Activities will be listed under the Extra-Curricular tab. Please note that some programs have limited places and will be filled on a first-come, first-served basis.

[Click here](#), then under Co-Curricular Calendar – All Campuses, select “North Ward – Parent Lounge & Student Café Co-Curricular eDiary Access” to view a guide on how to include the activities your child has signed up for in their Parent Lounge and Student Café eDiary.

If you have any questions or require assistance, please do not hesitate to contact the [Co-Curricular Office](#). We are always happy to help with all things TGS Co-Curricular.

We look forward to another exciting year of Co-Curricular involvement and can't wait to see our students getting involved and proudly representing the black and gold.

Kind regards,

[Sarah Crawford](#)
Director of Performing Arts

[David Enfantie](#)
Director of Sports and Activities
