BOOKINGS & COST

VACATION CARE COST:

\$91.85 per day This is your full fee BEFORE your CCS

BOOKINGS

Vacation Care bookings need to have a booking form filled out and returned to OSHC office or emailed along with any medical information forms required. Phone bookings will not be accepted unless under exceptional circumstances.

Please see staff at the centre if you would like to make additional bookings or to enquire if we have spots free. Please be mindful that we run on strict child-staff ratios, so we require that your child be booked in at least the week before you require care as to avoid any disappointment. If we don't have the staff available on site to provide your childcare and meet the correct child-staff ratio, we have no option but to deny care for your child on the day.

Due to excursion venue policies, bus policies, child-staff ratio, and staff availabilities, we may need to cap days in order to stay within our licencing and regulations. We operate on a first in, first served basis, so please book early to avoid disappointment!

CANCELLATIONS:

Please be mindful that once booking is confirmed, no swapping of days will be allowed, and one weeks' notice will be required for any cancellations in writing or email. You will be charged the daily fee if your child does not attend the session booked (unless we can fill their space from a wait list). Please contact the OSHC Co-ordinator if you need this policy change clarified.

LATE PICK UP: If a child has not been collected by 6:00pm, a late fee of \$20 for the first 15 minutes then \$1.00 per minute thereafter will be charged.

PAYMENT: Some days may require a small extra cost which will be marked on the program. Please check.
