	17	Team Rowland	2:10.5mins	2020
	Open	Team Hodges	1:57.0mins	1999

NORTH WARD CAMPUS POOL

## **Rules and Procedures**

---

### **Marshalling**

- Students must only move to marshalling when their event is called by the Announcer
- Follow the directions given by Marshalls
- Student changes to races can be made at the point of Marshalling. Once a swimmer has been marshalled and is seated, no changes are permitted.

### **Starting Procedure**

- The starter will blow a whistle.
- Competitors to step on to the blocks. It is also a signal for the crowd to be quiet.
- The second command is "Take Your Marks." Swimmers should move or be in their starting position.
- All competitors must be still before the race commences.
- Start (beeper)
- A one start rule will apply.
- Competitors must remain in the water and in their lanes until the Chief Judge instructs the swimmers to leave.

### **Relays**

- Relay teams must consist of swimmers in the relevant age groups. Houses are not permitted to use swimmers outside of the age group to stack their team
- Should Houses not have enough swimmers to field a relay team, they are to report this issue to the Carnival Coordinator

### **Results**

- Results are based on time. Swimmers should not use placing in their race as an indicator of their performance
- Age Champion medals will be awarded in each age division for females and males and will be determined on results of all individual events excluding King and Queen of the Pool.
- The House Champions will be determined as an accumulation of individual points for boys and girls.
- Age is taken from Year of Birth e.g.: a student who turns/is turning 15 this calendar year competes in the 15 years age division.

### **Interschool Selections**

- Selections for the Interschool Swim Team are based off Interhouse Carnival results.
- If a student is unable to swim at the interhouse Carnival due to extenuating circumstances, they may write to the Director of Sport and Activities for consideration.
