Dear Guests and Families,

Re: Sony Camp 18 – 20 September, 2021

Townsville Grammar School is hosting its fourth annual Sony Foundation Children's Holiday Camp this year. The Camp, based on a model from St Ignatius College, Sydney, has three key aims. We anticipate that it will be:

- a time of fun for the children
- a time of growth and learning for the young student companions and
- a time of respite for the families of our guests.

We are inviting 30 Guests from throughout North Queensland to join us for this year's Townsville Grammar School Sony Camp.

Current Year 11 students will be Student Companions for the children throughout the duration of the camp. The Student Companions are very excited about this year's camp and are looking forward to making the three days a special time for all. As companions, the students will be with their guest for the duration of the camp and will have an understanding of the care required following a considerable induction process.

As companions they will also be undertaking online learning units in how best to provide a safe environment that comply with the Covid 19 guidelines and restrictions. The whole camp will operate under a Covid safe plan.

Townsville Grammar School is located on Paxton Street in North Ward. As a boarding school our sleeping, dining and medical facilities are of the highest standard. The camp is to be held in the School's boarding house, Parker Hall Building. Throughout the duration of the Camp at least two registered nurses will be on duty and a doctor always on call. Staff and parents from our community will oversee our guests and their student companions.
