Week Ending Friday 25th of July

Co-ordinators Notes	<p>What a great way to return to netball for Term 3! It was wonderful to see our teams back out on the courts after some time away. With some outstanding wins and continued improvement across all teams, it made for a fantastic evening of netball.</p> <p>A quick reminder that there will be no SetGo fixtures next Tuesday, however Junior games will go ahead on Wednesday evening, and the draw is already available on Netball Connect.</p> <p>As we head into the final stretch of the regular season, it's important we keep working hard and finish strong. It's very exciting to see several of our teams currently in contention for the semi-final rounds!</p> <p>Lauren Todd Netball Co-ordinator</p>
Results and recap from coaches	<p>Grammar One v Runaways Barraways Cindy Hughes won, 37-33 Grammar One played a nail-biting match against Runaways Barraways. Despite being down two players and having only one reserve on the bench, the girls showed incredible determination and teamwork. After trailing by six goals in the first quarter, they fought back to level the score at 27-all by the third quarter. In an exciting final quarter, they powered through to secure a well-earned 37-33 win! A big thank you to our coach Robert Reeves for stepping in and supporting the team in Cindy's absence—your guidance was greatly appreciated!</p> <p>Grammar Black v Phoenix Flash Cindy Hughes defeated by, 22-12 Grammar Black had a solid game against Pheonix this week. The defensive end did very well to turn lots of ball but unfortunately the girls really struggled in the centre third. Going into the second half the girls were only down by 5 but small errors and having limited offers towards the ball caused Phoenix to pull ahead in the score line winning by 10. The girls had some really nice passages of play going straight into the shooting circle but couldn't pull this together for a full game. Lucia and Katherine did very well in the shooting circle together! Thank you to Cleo and Katherine for playing up!</p> <p>Grammar Opal v Highlanders Havoc Mackenzi Tozer tied, 23-23 Grammar Opal gave it their all in last night's nail-biter against the Highlanders. From the first whistle, it was a close contest with both teams going goal for goal and refusing to back down. The girls showed outstanding determination, focus, and teamwork right across the court. After working tirelessly throughout the game, they came together in the final quarter, pushing hard right to the end. In a heart-stopping finish, we scored in the final 30 seconds to even the score, ending the game in a well-deserved draw. We are so proud of their effort and sportsmanship – an excellent performance all round. Well done Opals!</p> <p>Grammar Pearl v SCCC Sonic Nicola Todd</p>

won, 37-19

Grammar Pearl returned to the court in impressive fashion, securing a strong win in their first game back after the break. The team displayed great teamwork and applying skills developed throughout the year. Shooting in the goal circle was outstanding, with consistent conversions lead by a strong court connection and maintaining defensive pressure leading to a well-deserved victory.

Grammar Topaz v Pheonix Phyreballs | Kiera Gatherum

defeated by, 14-25

Grammar Topaz played Phoenix this week. Although the final score was a 14-25 loss, the girls played a much better game than our last game against them. This was demonstrated through some excellent shots and well-executed passes down the court, with players creating smart passing options. It was also fantastic to see their commitment and willingness to try new roles on the court. Well done to you all for your hard work and positive attitude – you should be really proud of this week's game!

Grammar Gold v Neptunes Barracudas | Grace Ironside

won, 17-11

Grammar Gold had a tight game against Neptunes this week. The girls were down by 1 going into the second quarter and did very well to come back to win by 6. Neptunes were very fierce and the girls did well to maintain composure and play our own game. We struggled in the centre third this game with rushing and calling for the ball behind our players which caused lots of turnovers, however, when the ball got into the circle Kelly and Katherine did very well to score. Our trainings will start focusing on the run to finals!

Grammar Steel v Saints Stingers | Grace Ironside

defeated by, 9-17

Grammar Steel had a hard-fought game against Saints this week. We started off slow in the first half really lacking drives and leads. Calling from behind our players allowed Saints to get a real lead from the start. Our goal for the second half was to get the ball into the shooters on every centre pass, the girls did very well to keep saints to only 2 goals in the third quarter. Our court transitions really improved the second half allowing some really nice passages of play. Charli and Sai worked extremely well in the circle this week and Claudia was awarded MVP for the week!

Grammar Emerald v Phoenix Flares | Robert Reeves

won, 8-16

Grammar Emerald had a fantastic win against Phoenix on Wednesday night, securing a strong 16-8 victory and moving into second place on the ladder! After a close first quarter draw at 1-all, the team's confidence and momentum only grew. Their teamwork and support for one another was on full display, and it's great to see the skills they've been working on at training really coming to life on the court. Well done, Emerald!

Grammar Aquamarine v Saints Snipers | Briony Burns

defeated by, 2-36

Grammar Aquamarine played an incredible game this week, showing true resilience and teamwork, despite their coach being away. The girls faced a tough match and, with no subs available, had to push through without a break. They gave it everything from the first whistle to the final quarter, going for every ball and refusing to give up. Their determination, grit, and teamwork really stood out and gave me a great insight into how well they play together as a

team. Although the win slipped away, Miss Burns would be extremely proud of the effort they put in. Well done, girls!

Grammar Turquoise v Cathedral Checkers | Finlay Barrett

defeated by, 8-9

Grammar Turquoise played their best game of the season so far! Despite being two players down, the girls pushed through with incredible determination, leading for the first three quarters. The final quarter proved to be the toughest, but every player kept their heads high and gave it their all. Our defence was outstanding constantly applying pressure and keeping the ball out of the opposition's circle. Although we didn't come away with the win, narrowly losing 8-9 to Cathedral, I couldn't be prouder of the team's effort. Can't wait to see what we bring to the court next week, amazing job, girls!

Grammar Blue v Phoenix Funky Chicks | Colleen Heib

defeated by, 18-26

Grammar Blue played a tough match against Phoenix this week. With 2 players out injured, we had Aria from Grammar Sapphire fill in for us to help out. Thanks Aria! The girls fought hard all game, but were ultimately outplayed by the top side, going down 26-18. Everyone played their part well, especially in defence against some strong goalers. Well done to Tilly for her work in GA and GD when we needed her, earning her the MVP title for the match. Shout out to Lenie for her great work in goals, Caley for her fast movement and strong defence in C and Sienna C for having a crack in GS! We look forward to playing Phoenix again in the finals, as we plan to give them a run for their money with our full strong side when we have everyone back from injuries.

Grammar Sapphire v SCCC Smarties | Lisa Robertson

won, 7-9

This week, Grammar Sapphire truly showed how much they've grown this season. Every player stepped up, delivering a strong game with excellent leads and much-improved spacing, especially through the midcourt. This made a real difference, allowing us to transition the ball smoothly down the court and into the hands of our shooters. Our hard work paid off with a well-earned win against SCCC Smarties! This week's MVP went to Bailey for outstanding efforts in both the midcourt and goals. The Coach's Award was awarded to Nyla, whose solid body work and determination in defence made a big impact. We can't wait to see what the team brings to the court next week!

Grammar Quartz v Saints Sabers | Yanique Kinobe

won, 10-2

Grammar Quartz played an outstanding game this week finishing with a dominant 10-2 win! I'm incredibly proud of how the girls are progressing and their growth as a team is becoming more evident each week. It was also great to see some of them stepping into new roles, with Isabelle taking on shooter and Quinne in centre. It's so encouraging to see this kind of versatility and confidence especially so late in the season. This week's MVPs go to Gofiwa and Lucy for their speed and determination throughout the game. Keep it up girls!

Grammar Cobalt v Saints Sharks | Sadie Addlesee

forfeited, score.

This week, I had the pleasure of stepping in to coach Grammar Cobalt while their Mrs Addlesee was away. Unfortunately, only four players showed up, so we had to forfeit the game. However,

with the help of a player from the opposing team, we were still able to play a friendly 5 on 5 match. Despite this, the team gave it their all and showed great progress throughout the game, especially with their willingness to adapt and respond to feedback. Amazing effort from each of them!

Grammar Marigolds v Neptunes Starfish | Skye Baker

Grammar Marigold played a great game after a huge day at the athletics carnival. They also showed great sportsmanship by helping a fellow Grammar team who were short on players. We didn't get the win however congrats to Ruhi on scoring a goal for us. Our goal for next game is to spread out, find space, and get in front of our defenders to get the ball. Great work girls. Keep up the amazing work.

Grammar Sunflowers v Saints Skittles | Kate Irvine

Grammar Sunflowers continue to shine on the court. Despite spending all day at the Athletics Carnival, the girls continue to show up and always give their best effort. I am very proud of their ongoing persistence and positive attitude. Aarvi was the MVP this week for her intelligent positioning on court. Demi received the McDonalds Award for her shooting and strong defensive effort. Special shout out to Harper, Phoebe, Ruhi and Jess from Grammar Marigolds for filling in as well. Well done, girls.

Grammar Daisies v SCCC Shadows | Olivia Arnaboldi, Matilda Arnold & Olivia Horn

Grammar Daisies had an awesome game against Southern Cross this week. We had some great defence and intercepting. The girls have also shown a massive improvement in their footwork, being very careful not to step and trying to find space. Our well-deserved MVP this week was Lil, she showed a great deal of persistence in the circle and sportsmanship. We want to thank all of the girls for helping out the other teams with players the past few weeks, their positive and considerate attitudes certainly do not go unnoticed!

Grammar Bumblebees v Phoenix Flames | Zoe Johansen

The Grammar Bumblebees played a great game against Phoenix this week! With only four of our own players, we were very grateful to borrow some talented helpers from the Grammar Daisies—thank you! After the holiday break, the girls are getting back into the swing of things and showing great progress in remembering their netball skills like getting in front of their player and keeping those hands up in defence. A big congratulations to our MVP, Subasree, who had an outstanding game and showed excellent movement all over the court! Well done, Bumblebees!

Grammar Tulips v MV Moonstones | Olivia Easton & Libby Moller

Grammar Tulips showed amazing teamwork this game. They got the ball from one side of the court to the other in seconds and got almost every shot in. The girls practiced defence and attack in training which showed off in the game with the number of intercepts of the ball and the movement of the ball down the court. A shout out to the girls for holding their heads high with only 6 players - and after a long day of athletics they continued to try their hardest. Amazing work girls, we are extremely proud of you cannot wait to see you next game.
