Parent Helpers Required – Team Manager	<p>We are looking for parent assistance on game days. We need a team manager for our U17, U15, U13, U10, & U8 Blue teams. The main purpose of this role is to manage the team sheet and scoring which is all completed through the Rugby Xplorer App. Full training will be provided, all you need is a mobile phone. In addition to this, the team manager will also assist the team coaches with game day logistics, such as organising the jerseys and water bottles. If you are able to assist, please email David Enfantie, Director of Rugby at David.enfantie@tgs.qld.edu.au</p>
TGS Rugby Community – seeking your support	<p>I am seeking assistance from our TGS Rugby Community. I am looking for a generous supporter who would like to donate a “Player of the Match” prize or voucher for every TGS game played this season. We are looking at having eight teams this year, each playing 15-18 games. Having a prize or voucher (valued at around \$20) being awarded after each game is a great way to recognise and reward our fabulous young players.</p> <p>In addition to knowing that you are supporting a great rugby club with loads of quality young boys and girls, your support will be well noted in all rugby newsletters publicised during the season.</p>
