Beating the Boks at altitude is nearly unheard of, but this team showed that with hard work and self-belief, anything is possible.</p> <p>Enjoy your off-season and thank you all for making 2025 a season to remember!</p> <p>David Enfantie Director of Rugby</p>
Results and recap from coaches	<p>U17 Girls v North Ward David Enfantie</p> <p>The Grammar Under 17 Girls put up an enormously brave performance in their semi-final, unfortunately going down 34-12. Despite playing short, our team worked enormously hard and were right in the contest for much of the game. Mairesha Ronsen was outstanding with some big carries and silky offloads. Wendy Bire was her usual crafty self, while Mikayla Moore had her best game of the season and has shown enormous development as a player throughout the year. In the end we ran out of puff, which is completely understandable given the illness and unavailability's we faced this week. Well done girls on a very brave performance — one that the whole school is very proud of. A huge thank you must also go to Assistant Coach Zach Au and Team Manager Ms Finlay for their tremendous support all season.</p>

U11 Mixed v Brothers | Giles Derrett

We'd earnt the opportunity to play finals football and proudly – and perhaps a little nervously – took the field against a Brothers side we had gone toe to toe with just last week. Brothers looked sharper in the first period, with some of their stronger runners breaking tackles. Combined with some cagey Grammar possession, they forced errors in contact, starved us of time on the ball and crossed for five tries before the break. After half time, our intensity lifted. Jack Clark, Will King and Charlie Enfantie impressed with ball in hand and were well supported across the field. Our tackling improved noticeably, with increased physicality and the extra time on the ball was converted into points thanks to determined efforts at the breakdown and strong continuity. Credit to Brothers, who deserved the win, but our players can be proud of once again pushing them close and of an absorbing season of committed rugby. Thank you to our families for your unwavering encouragement and support all year.

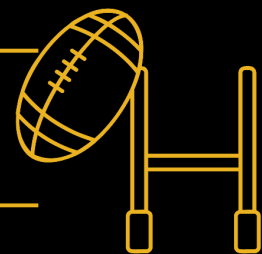

U10 Grammar Gold v North Ward | Martin Tait

Grammar Gold gave everything in their semi-final against North Ward on Friday evening. True to form, we started slowly and conceded two early tries, but our forwards rallied at the breakdown, led by man of the match Will Hompas with relentless work over the ball and Arlo Miller with his tenacious tackling. Captain Oliver Cherry also led from the front with his hard, straight running and superb back-up play, inspiring those around him. Trailing at halftime, Grammar surged back with well-earned tries to Will King—who had already played a full game for the U11s earlier in their final—and Brock Hull to take the lead, only for a resilient North Ward to strike late and edge ahead at the whistle. It was a narrow loss, but the courage, determination and teamwork shown by the boys were outstanding. Much credit must also go to an excellent training session in the lead-up, which sharpened skills and belief for this finals campaign. A big thank you again to Rhiana,
