### Notes

Our Townsville Grammar crews delivered a stellar performance at the North Queensland Schools Championship Regatta, bringing home an impressive **13 medals** across two intense days of racing—a true testament to their resilience, teamwork, and unwavering dedication.

From the early heats through to the finals, each crew showed heart and hustle, pushing both boat and body to the limit. Their efforts didn't just earn medals—they showcased the true spirit of black and gold. We couldn't be prouder of how they represented our school on the water.

With this regatta behind us, the rowers now set their sights on the season's pinnacle event: **Head of the River**. If this weekend's racing is anything to go by, Grammar crews are ready to make waves once again.
