Co-ordinators Notes	Head of the River 2025 – A Day of Success on the Ross On Sunday, 24 August, our crews took to the Ross River for the Townsville All Schools Head of the River, the biggest regatta of the year. With schools from across the region lining up, the atmosphere was electric and the racing fierce from start to finish. Our rowers delivered an outstanding performance, progressing through heats to reach 26 finals and walking away with 10 medals across the categories. From juniors stepping up in their first major regatta to seniors leading from the front, every crew showed determination, teamwork and resilience on the water. Standout moments included: <ul style="list-style-type: none">• Sophie, Josie, Sally and Kate (c: Saran) finishing with a commanding lead in their final• Nicholas Beaumont Walsh pushing through illness to secure a gold medal• Consistent depth across the squad, with strong results in both sculling and sweep events I could not be prouder of what our athletes achieved. The way they raced, supported one another and represented Grammar showed true spirit. Head of the River is more than results – it's about pride, teamwork and celebrating the journey we've shared this season. We now look ahead to the next stage with confidence, knowing this program is building something special. Congratulations to every athlete, coach and parent who made the day possible.
