PRINCIPAL'S WELCOME

I am delighted to welcome you to our Open Day, an opportunity to explore our North Ward Campus, meet our teachers and enjoy the entertainment and hospitality as your family learns more about the life of our School.

This year, Townsville Grammar School celebrates its 135th anniversary and we are proud to maintain the same unwavering commitment to providing an exceptional Grammar education that has endured throughout the many decades of our story. This exceptional education is evidenced by our continued leading academic outcomes and our well-developed culture of learning that exists throughout our School, from Prep to Year 12.

A Grammar education is about developing young people of character, and this sits equally with our aim to provide a leading education, in the spirit of our guiding philosophy - *Bonus Intra Melior Exi* - enter good, exit better.

I trust you will enjoy your visit with us, and hope to welcome your family to ours in the coming years.
