

Box of Books
the future of classroom resourcing

Townsville Grammar School and Box of Books

Introducing Box of Books

Townsville Grammar School is pleased to announce their engagement with Box of Books for the provision of digital and physical education resources for the 2024 academic year.

Box of Books (BoB) is a 100% Australian made and owned company with 65 years' experience in physical textbook supply and a world leading digital platform which is now in place with leading schools across Australia and the globe.

Please note, further information and steps to purchase 2024 texts is included inside the front cover of each Year level's list of books.

From the start of their next academic year, your child's etextbooks will be delivered to them through the school's BoB portal, using their existing school login to:

- read their etextbooks online from any device, any time
- download a BoB app to read when offline
- access the interactive resources included in etextbooks
- create and access Rich Notes: their personal revision notes as well as custom resources embedded in the etexts by their teachers to enrich text content

To find out more about Box of Books, please [visit our website](#) and view our [service overview video](#) on how Box of Books works, and how we will work together to support your child's ongoing educational needs.
