2024 Club Netball Registrations

Dear Families,

Registrations for Grammar Club Netball are now officially open. Please see below the links to register for either the Junior competition (U12, U15, U18) or SetGO. Please ensure you register your daughter for the correct competition based on her birth date (regardless if they are playing up this year). We will then manually update this and add them to the correct team through Netball Connect after registration has been finalised. The age groups have also been listed below for your reference when registering.

- SetGO** Students turning 7 – 10 years in 2024
U12 Students turning 11 or 12 years in 2024
U15 Students turning 13, 14, or 15 in 2024
U18 Students turning 16, 17, or 18 in 2024

Please note that if your child is not turning 7 this year, they need to be registered for the Net program, which is run by the TCNAI. For more information and registration, please contact the TCNAI.

Please note there has been an increase in fees due to fee increases from both the TCNAI and Netball Queensland this year.

Duty of Care Player Waiver – Play Up Rule

If your daughter has nominated to play up from their own age division, the TCNAI Duty of Care Player Waiver will need to be completed upon official registration. This has been added as part of the registration process through Netball Connect. If you have any issues during the registration process, please let us know. I have also attached a physical copy of the waiver to this email. This waiver allows players to play out of their designated age division, or players who are acting as fill-ins for other teams. It is a requirement that this form be completed, otherwise your child will not be allowed to play up or fill in for other teams. Please ensure to read through the information on the waiver before signing.

Trials – SetGO

Please note that there are no trials for the SetGO age group. The SetGO program is designed to upskill players and prepare them for entering the Junior competition. Therefore, trials are not required. Trials for the Junior Competition age divisions have already commenced. Please see below the trial dates for all other age divisions. If your daughter has missed a trial, please send an email and we can sort the most appropriate team for them.

Questions

For more information regarding Club Netball, including Training Schedules please visit the School website for the TGS Netball Handbook. Communication with families during the season will be primarily through the School App, so I encourage all families who complete registration to download this ASAP, selecting 'push notifications' for Netball.

Families, if you have any other questions or if you are interested in being part of Grammar Netball volunteering as a coach or manager, please email me directly at sophie.durant@tgs.qld.edu.au

We look forward to a successful season with our girls for the Black and Gold.

Best wishes,
