Expressions of Interest – 2026 Club Rugby Season

Dear Families,

Club Rugby continues to be a popular sport within our Grammar community, and it's now time to express your interest for the 2026 season.

Whether your child already plays for the School, has previously played for another club, or is looking to try Rugby for the first time, we would love for them to join us in 2026. As the only school-based club in the Townsville and District Rugby Union (TDRU) competition, Grammar Rugby is truly unique. Our Rugby community unites all three campuses, and we cherish every opportunity to come together in the Black and Gold. Many Past Grammarians still speak with pride about running out for the School on Home Days of the past, cheered on by their mates!

We invite all Grammar students aged 7–17 to get involved. Numbers permitting, our goal will be to field teams in as many TDRU competitions as possible – U8, U10, U11, U12, U13, U15, and U17 (boys and girls).

Early registration helps to establish our coaching roster for the season, plan associated touring opportunities for 2026, and gather kit sizes to ensure orders can be placed early for the start of the season.

To register your child's interest as please log on to Parent Lounge via the Extra Curricular tab.

We will be in touch early in the new year to confirm all details for the season ahead. In the meantime, new families looking for more information should check out the [Club Rugby | Townsville Grammar School](#) page.

We look forward to sharing another successful 2026 Rugby season with our players, coaches, and families.

Go Grammar!

Yours sincerely,

David Enfantie
Director of Rugby
