# Welcome

I am delighted to welcome you to our Open Day, a great opportunity to explore our North Ward Campus, meet our teachers and enjoy the entertainment and hospitality as your family learns more about the life of our School.

This year we mark the 138th anniversary of our School. We are very proud to continue our unwavering commitment to providing an exceptional broad and liberal Grammar education. Our long-standing reputation for academic excellence is due to the well-developed culture of learning that exists throughout our School, from Prep to Year 12.

A Grammar education is about developing young people of character, and this sits equally with our aim to provide a leading education in the spirit of our guiding philosophy - Bonus Intra Melior Exi - Enter good, Exit better.

**I trust you will enjoy your visit, and we hope to welcome your family to ours in the coming years.**

Connor Barrett  
PRINCIPAL
