Policy for TYC Board assessment and allocations of support/ for On Water Activities applications.

1. The Board will from time to time set yearly targets for affordable sponsorship in the yearly budget. For 2021 this sum will be approximately \$10,000.00

2. When considering applications the board will allocate and assess support/sponsorship taking into consideration that the:

- applicants must all be members of Townsville Yacht Club
- support offered be on the basis of per person / team per event
- events are predominantly State or National events
- sponsorship per person/team per event will be roughly equivalent in each year
- person/team lodging the application and the individuals receiving support must be registered as representing Townsville Yacht Club at the events
- applicants must give a report to the Board after the event of their participation and results
- Board may seek advice from whoever they see fit to come to a decision
- Board's decision will be final and not be subject to appeal
- Board's discussions will be confidential
- Applications received from members of other sailing clubs will be referred back to that member's Club or governing body to make application on the member's behalf

3. The Board will review this policy every 3 years.
