

## JCU Accommodation Options

Student accommodation is available at James Cook University. JCU have student residences in Douglas and have agreed to allow our students to stay there as external students (subject to availability). This accommodation is available to students in both our short and long courses.

Students who wish to apply should contact [reservations.jcu@unilodge.com.au](mailto:reservations.jcu@unilodge.com.au) and they will confirm room availability and provide details on the application process for external students. Please let them know that you are studying with Townsville Flight Training. We are only involved in supplying you with initial information on JCU's accommodation options, all arrangements and questions should be directed to the Reservations Team directly.
