Use the provided hand sanitiser to clean your hands thoroughly if needed, for instance after you sneeze or cough (and / or aim these into your elbow).

GENERAL ENTRY

You must follow the directions of Umbrella staff and volunteers at all times.

Umbrella may inspect all bags and personal belongings that visitors bring into this premises. When doing a bag check, we will not touch your bag or items in it however we may ask you to move items to help us see inside easily.

Facilities for cloaking belongings are not specifically available, however oversized items including suitcases, large umbrellas and prams present a trip hazard and risk to artworks, and should not be carried around the gallery space. Visitors should seek guidance from Umbrella staff or volunteers if they are unsure about placement or storage of a large bag or item.
